BARBERSHOP NEWS

HAPPY BIRTHDAY!

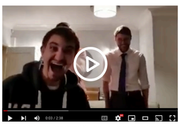

National Barbershop Quartet Day had folks singing and laughing

Barbershoppers worldwide shared stories of their great barbershopmoments, appeared on TV, and goofed around for fun on, April 11. A few highlights…

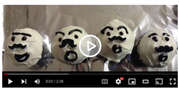

Instant Classic sang like champs on Indy Now:

The Trailblazers, a quartet from Meantime Chorus in London, documented the hardships and travails of rehearsals…

Harmonic Collective, from Central New York, laid on the sweet frosting.

BARBERSHOP'S BIGGEST STAGE

Sing in the All-Voices Chorus

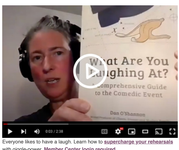

Combine a world-class director with eager singers from around the world, fire up the spotlights of our biggest stage, and let the energy surge through you, as part of the All Voices Chorus at the 2023 International Convention.

You can check a few firsts off your list: maybe it's the first all-voice barbershop chorus for you, or the first time your family will take the stage with you, or your first time rocking a big arena.
