What you missed if you missed Harmony University

More than 450 singers, students, faculty and staff made last week in New Orleans memorable at the annual best week of barbershop. Look for the telltale grins on the faces of returning attendees, an openness to new possibilities, and a willingness to embrace mistakes as opportunities to learn — "How fascinating!"

First Look launches on YouTube

See all the best in barbershop as soon as it’s released! For just $7.99 per month, you can unlock First Look, a YouTube subscription option from the Barbershop Harmony Society. First Look subscribers will enjoy premieres of more than two hours of videos every month — usually much more — at least a month before it’s released in public channels.

Exclusive First Look: 2023 International Quartet and Chorus Festival

The second year of this event captivated a packed house with dozens of superb, high energy performances — and you truly "had to be there," because it was not part of the Livestream. Performances from the Festival will roll out to First Look subscribers throughout the month of August, at least a month before they hit the public channel.
