REAL CONTEST · REAL SCORES · REAL CHAMP DIRECTORS

Compete —for real!— on the International stage in the Dream Chorus Experience

This has never been done before! Two new choruses, OPEN TO ALL SINGERS, drawn from all over the world, will **compete as full contestants** in the 2024 International Chorus Contest **in Cleveland**.

More than a showcase, more intense than a Festival, these will be actual competing choruses, which will be scored and ranked on the Official Scoring Summary, alongside all other qualifying choruses in the final results.

The Dream Choruses will be led by directors who know their way around the International Contest stage:

Greg Clancy, multi-gold director with The Vocal Majority
 Justin Miller, multi-gold director with The Westminster Chorus

LEARN HOW YOU CAN SING

2022 Annual Report released BHS Annual Reports provide a convenient summary

of our Society's accomplishments, and can serve as a calling card when describing ourselves to the world. It's instructive to look back on the **full collection** (dating back to 2015) to reflect our progress as an organization.

Comparing the data in the **2022 Annual Report** with

the year before, we see an entirely different landscape. In 2021, we linked arms and responded with resiliency in the face of a global pandemic. In 2022, we saw the resurgence of the Barbershop Harmony Society. We have reconnected, renewed and rededicated ourselves to all the things that make barbershop great. There is our wonderful music, of course, but more deeply, our abiding friendships.
