HARMONIZER HIGHLIGHT

Choose songs for your voices

Sing well? Steve Tramack helps you pick music for the voices you have, not for the voices you wish you had. You determine if the chart is something your group can sing well. Have you ever heard an arrangement and thought, "This is a great arrangement, but it's not designed for our voices!" Arranger Roger Payne's Monster Mash was tailored to maximize the impact of four voices. But how can you determine if the arrangement is the right one for your voices? Find out how in "Choose songs for your voices.""
