SONG OF THE WEEK

**(I Love You)
For Sentimental Reasons**
arr. Adam Scott

Croon a fresh tune for Singing Valentines this year! The mellow, unforced voices of singers like Nat King Cole, Dinah Shore, and Ella Fitzgerald and others made this a hit many times over – and perfect for barbershop! Adam Scott's arrangement suggests a laid-back approach to allow the rhythmic devices to unfold. Available in all voicings, with learning tracks produced by Kohl Kitzmiller!
