HALL OF FAME 2024 INDUCTEES

Legends honored

In some circles, receiving a high honor signals the end of achievements. But in the case of the BHS Hall of Fame, we expect more great things are still to come from each of the class of 2024. These multidimensional Barbershoppers are each grandmasters of many fields, as arrangers, directors, judges, coaches, leaders, and thinkers.

The Barbershop Harmony Society offers its gratitude and congratulations to [Steve Armstrong](#), [Aaron Dale](#), [Tom Gentry](#), and [Clay Hine](#) on being inducted into the Hall of Fame.

MAKE 'EM LAUGH

Enter the Comedy Quartet contest

There are still a few slots open in the inaugural [Comedy Quartet Festival](#) at Cleveland. Grab that custard pie, bicycle horn, and squirting flower, and give the audience a treat! You'll need two songs (one barbershop-contestable) that are comedic in nature, and in good taste. **Move on it, entry closes Wednesday, May 15.**

SONG OF THE WEEK

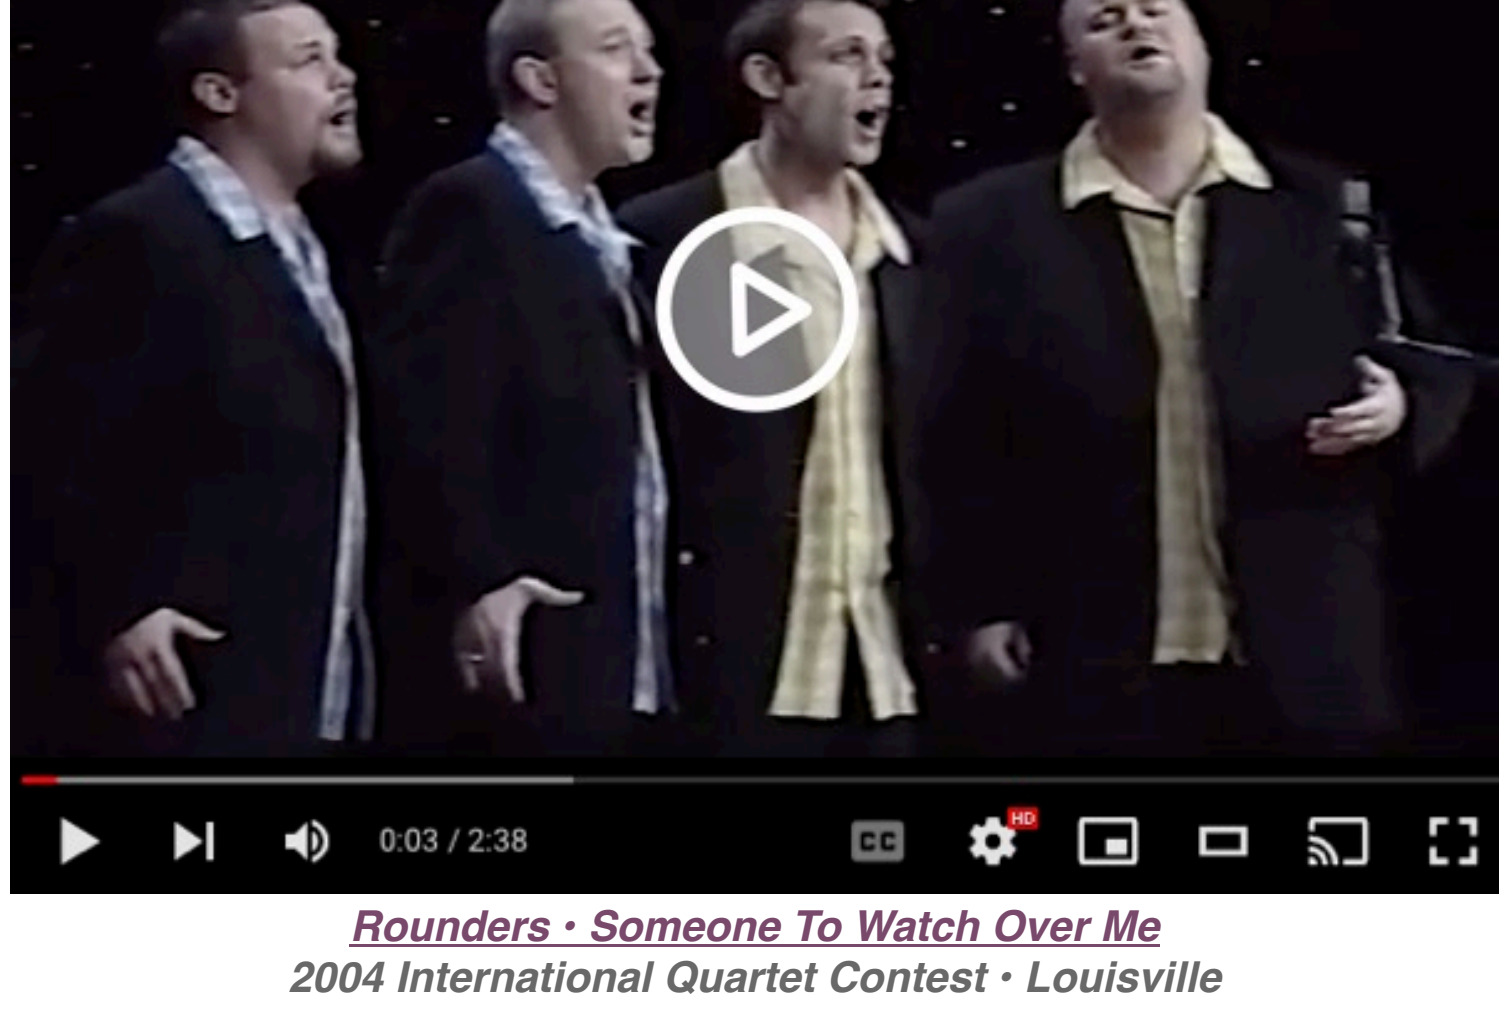

Cheer Up, Charlie
arr. Jim Henry

This tender song of comfort and courage helped propel [Vocal Spectrum](#) to gold medals in 2006, and continues to be a favorite. Let the richness of the chords carry it — and watch for the crowd to mouth the words of the tag with you. Newly offered in SSAA voicing, alongside the TTBB previously sold.
