BARBERSHOP NEWS

A PICTURE'S WORTH A THOUSAND CURIES

It's anthem season!

Nothing beats baseball season for opportunities to sing for crowds. Whether it's the National Anthem, or "Take Me Out to The Ballgame," baseball and barbershop go together like beer and bratwurst.

All of this is an excuse to show the **New Mexichords** posing with Orbit, mascot of the Albuquerque Isotopes. (Everyone's a sucker for a Simpsons reference, right? ABQ went all the way.)

SONG OF THE WEEK

SEMPER SUPRA!

Armed Forces Medley 2023 arr. Steve Delehanty

"Semper Supra," the **official song** of the United States Space Force, takes its place alongside the familiar military anthems in a new setting by Hall of Fame arranger Steve Delehanty. The new publication from the Barbershop Harmony Society appears to be the first vocal arrangement from a major publisher to incorporate "Semper Supra." The medley consists of: Semper Paratus; The Marine's Hymn; Anchors Aweigh; The Army Goes Rolling Along; The U.S. Air Force; Semper Supra . Top-notch learning tracks by Tim Waurick!
