Join the 2025 Dream Chorus, directed by Jim Henry

The 2024 Dream Chorus Experience was such a success that we are bringing it back in 2025! We will have ONE chorus that is OPEN TO ALL SINGERS from all over the world.

Learn from gold medal director Dr. Jim Henry, and compete as full contestants in the 2025 International Chorus Contest in Denver.

More than a showcase, more intense than a Festival, this will be an actual competing chorus, which will be scored and ranked on the Official Scoring Summary, alongside all other qualifying choruses in the final results.

It's all too common for barbershop groups to excel at proficiency in the external elements instead of focusing where the pros do: audience connection. Theresa Weatherbee, performance coach and judge, [helps you understand](#) the deeper motivation, purpose, and reasons behind your actions and artistic choices as a performer.

See it all— The entire *Harmonizer* archive is online in the BHS Member Center ([login required](#).) Skim through decades of history, education, and memories, or [search the online index](#).

SONG OF THE WEEK

[I Heard It Through the Grapevine](#) arr. Aaron Dale

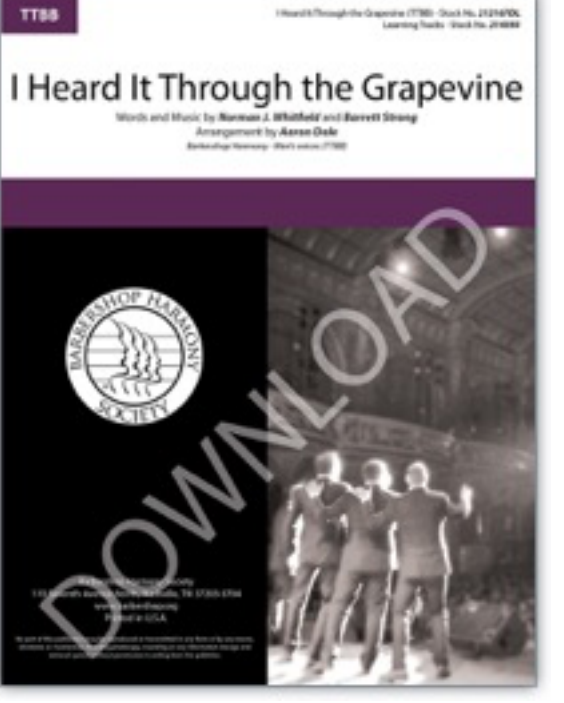

Greatest Motown song ever? Gladys Knight & the Pips had the first release, reaching #1 in 1967, but it was Marvin Gaye's 1968 release that made it immortal. That unmistakable, haunting opening riff grabs audiences instantly. Maintain that restrained intensity to keep audiences mesmerized.
