Junior Quartet entries now open

The BHS Junior Quartet Contest gives young singers a platform to perform together in a peer-ranked environment at our annual Midwinter Convention.

As students return to schools for the Fall, now's a great time to alert your educator contacts to this great showcase and learning opportunity! Air travel to Southern California is fairly accessible from across the continent, and the early January date gives plenty of time to begin rehearsing.

SONG OF THE WEEK

Brown Eyed Girl
arr. Adam Scott

Those infectious opening bars instantly grab audience attention, and the "sha-la-la" chorus is an irresistible sing-along. "Brown Eyed Girl" propelled Irish singer Van Morrison to international acclaim in the '60s, and its popularity has never dimmed. Singable, fun, and a great choice for shows!
