BARBERSHOP NEWS

PREMIERES FRIDAY • 8:00 PM ET

Watch the Top Ten quartets!

See the culmination of the BHS 2025 International Quartet Contest! Our special **Quartet Finals Rebroadcast** includes new performer interviews, plus exciting backstage moments as the medalists are named.

Lay in a good supply of snacks and bevies, because the interview and performance segment runs about 2 hours and 45 minutes. Add another 40 minutes for the call-off and BONUS webcast interviews, and you've got a BIG NIGHT of barbershopping.

Go to [Youtube.com/@BarbershopHarmony](https://www.youtube.com/@BarbershopHarmony) for the rebroadcast on Friday at 8:00pm ET. Make sure you join a few minutes early so you don't miss a minute.

The individual performances and the rebroadcast will be available on Saturday for your enjoyment!

It only happens at HU!

Choruses and quartets aiming for the next level turn to Harmony University. That's what **Vocal Revolution says** after attending HU as a chorus last month — their second visit in ten years.

This week-long event provides

- Intensive chorus coaching by world-class faculty
- Open course access for all singers
- Performance opportunity on the HU show
- Leadership development for chapter growth
