Happy Thanksgiving, everyone!

As we enter this season of gratitude, I want to take a moment to thank each of you for the heart, harmony, and joy you bring to the Barbershop Harmony Society. Whether you're singing on stage, ringing chords in a rehearsal hall and afterglows, volunteering behind the scenes, or simply sharing the gift of harmony with a friend, you are part of what makes this community so special.

This year has been full of meaningful music, renewed connections, and exciting momentum across our Society. I'm inspired every day by the way barbershoppers show up for one another with encouragement, creativity, and a shared love of singing that lifts us all. It's a reminder that harmony isn't just something we create with our voices, it's something we practice in how we treat each other.

As you gather with friends, family, or fellow singers this week, I hope you find moments of rest, laughter, and gratitude. Thank you for the passion and spirit you bring to this hobby and to this Society. It is truly an honor to be part of this journey with you.

Wishing you a warm, safe, and harmonious Thanksgiving!

With appreciation,

Robert

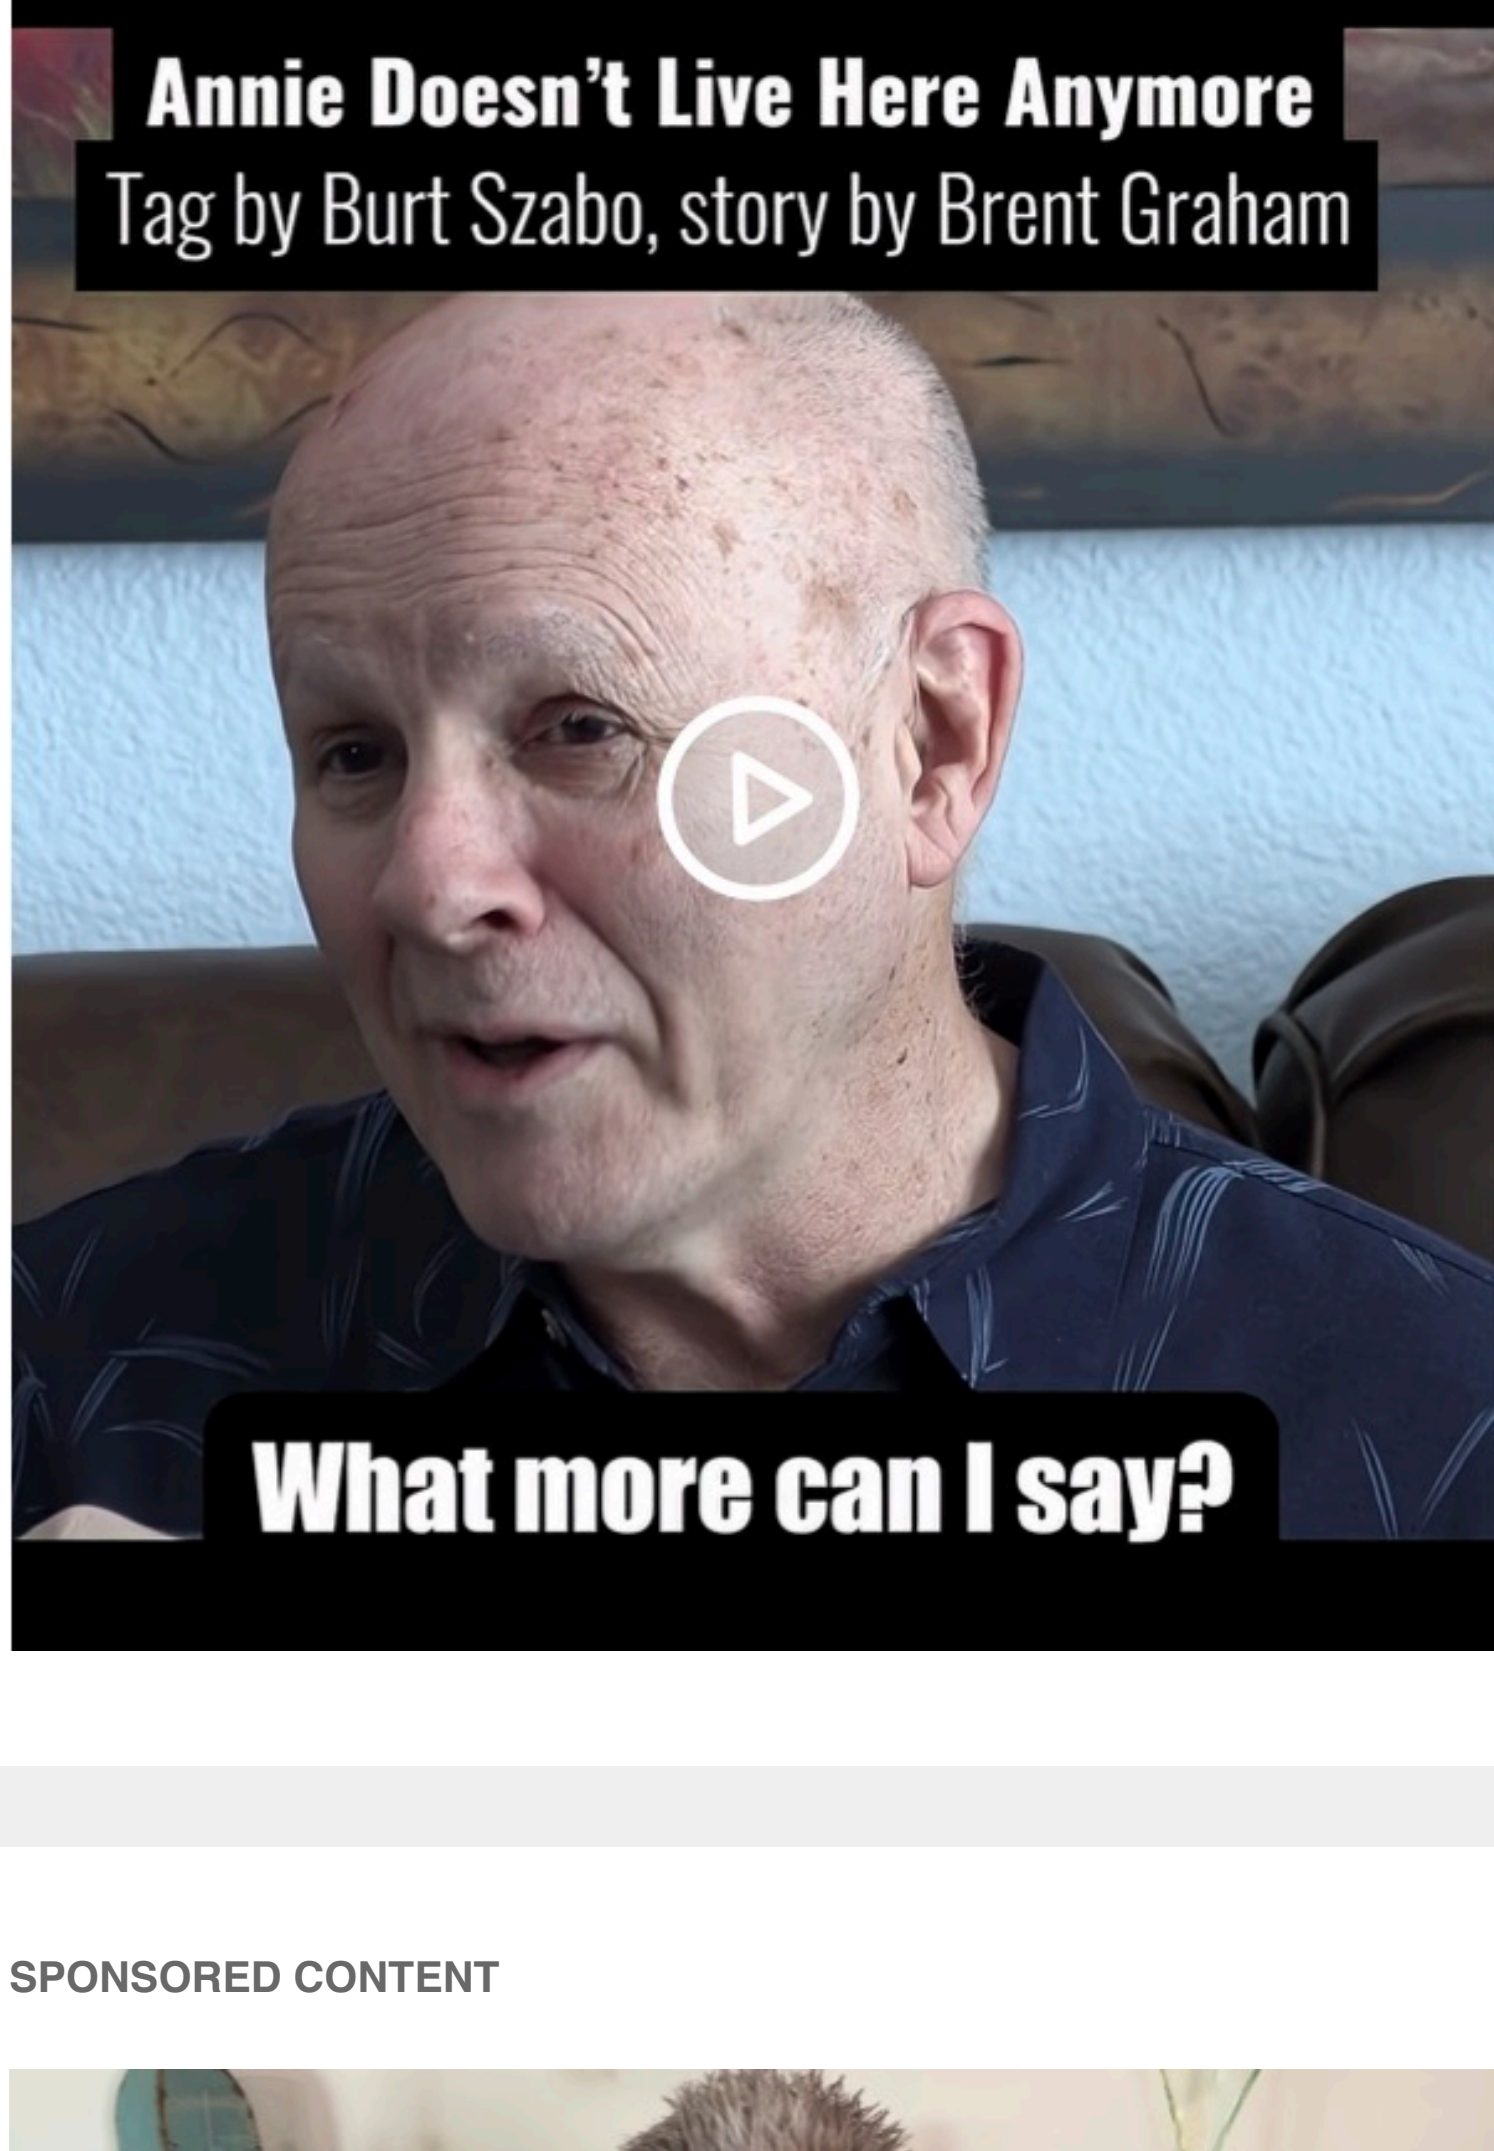

P.S. If I have one personal gratitude 'shoutout,' I want to thank **Step In Time** quartet for their [weekly tag videos](#) which have fed me a dose of happiness each week.

HOLIDAY SCHEDULE

We're thankful for YOU! Our Harmony Hall family will be taking a few days to recharge and refresh, with offices closed Thursday and Friday, November 27-28. Stay safe, be warm, and be at rest... and keep a song in your heart and your life.

Buy a song, get a FREE geography lesson! The American dream motorist itinerary winds from Chicago to L.A. — but of course, you knew that, thanks to the 1946 hit by the Nat King Cole Trio, and countless covers to follow. A fun and familiar show song: play Stump the Audience by asking them to name the cities! (AAA membership not included.)
