Welcome to Louisville!

Welcome to Louisville, where Barbershoppers from all over the world are convening for a week of fun, entertainment and education. This convention has the most Alliance ensembles attending in our 85 year history. Our “annual meeting” of sorts is where The Society convenes its largest annual gathering to not only experience the joy of ringing barbershop chords all around the Louisville downtown, but we get to break bread together. I’m more on the “introvert” side of the continuum, but when I arrive at the annual convention, we schedule time with long-time friends, and we also meet new Barbershoppers and Barbershop Families for the first time from all over the world.

Last year in Charlotte, we had a wonderful reunion after missing two Internationals. We continued that reunion mindset at Harmony University and Midwinter, and at District and Division Spring Conventions. Perhaps most importantly, the local gatherings in our own backyards as various Society ensembles continue to ramping back up are a key indicator of how we are recovering. It’s not been easy. We are extremely grateful for all those who have encouraged others to continue the barbershop journey, especially those in volunteer leadership roles. Singing communities at all levels of The Society have been able to stabilize through your efforts. We aren’t out of the woods yet, but there is nothing better to fill your tank than being around all sorts of Barbershoppers from around the world. Take it in...and, as Marty would say, “sleep at a convention is overrated.” Have fun!

Happy 85th Anniversary!

Society President

Determining Relative Rank

Music
Music is defined as the song and arrangement, as performed. The Music Category judges the
arranger’s skill and the performer’s musicianship in bringing the mood or story of the song to life,
and the suitability of the material to the barbershop style.

Performance
These judges evaluate how effectively a performer brings the song to life. They judge the
entertainment value of the performance — the art of the performance.

Singing
In the Singing Category, artistic singing in the barbershop style is judged — listening holistically for
ringing in-tune voices that use a free, beautiful and rich vocal quality, which is wonderfully unified
and vocally expressive.

Each judge may award up to 100 points per song.

--David Wright

“Cy's professional experience as a successful music educator and actor/producer on Broadway is perfectly matched by his humble and thoughtful perspective as a third-generation barbershopper. He has a unique way of encouraging you to be your very best, while still being very direct and honest when you need it the most. He can design a performance that will push the limits of the performer, while still fitting comfortably within the identity of the ensemble.”

--Joe Cerutti

“Cy Wood is a super talented professional, full of spirit and fun, who will give your chorus a taste of Broadway! No matter the character, Cy will patiently bring out the best in your chorus singers and challenge them to portray what the music is demanding them to become. Your ensemble will greatly benefit from Cy’s personal experience and years of excellent training! I highly recommend Cy as a choreographer and visual coach!”

The SATS Course

Summer Course
10th - 14th August 2023
Dublin, Ireland
Singing and Teaching Singing

In the beautiful setting of the Irish Institute of Music and Song, Balbriggan, the Singing & Teaching Singing Summer Course lead by Janice Chapman will run from August 10th – 14th 2023 in Dublin, Ireland. The course focuses on Janice Chapman’s scientifically validated pedagogy as explored in the Fourth Edition of her book Singing and Teaching Singing – A Holistic Approach to Classical Voice. It will also focus on how to practically use the SATS model to develop your own vocal technique and performance skills. Each of the exercises in the SATS book and Classical Voice Training Workbook, will be explained in depth and all participants will be led through the exercises with course directors Janice Chapman, James Platt, Andrew Follin and guest tutors Lynn Helding and Orla Boylan.

Teachers who sing will be able to take part in our vocal masterclasses. There will also be the opportunity for participants to take part in teaching and diagnostic masterclasses where they can teach in a supportive environment and receive mentoring from our specialist team. Classical Voice Training will also provide students for teachers to work with throughout the course. One to One sessions will be offered (subject to availability) as either singing lessons or teacher mentoring sessions.

The SATS Practical course is the perfect way to explore and develop your technique to inform your artistry as a performer in a safe and encouraging atmosphere.

Give the gift of barbershop to young singers

Thanks to the incredible generosity of our Sponsors and Donors, the Barbershop Harmony Society was able to bring over 100 young singers from across the U.S. to the Next Generation Barbershop events created by the Society at the Midwinter Convention in Daytona Beach. These young singers brought original arrangements, an eagerness to compete, and a love of ringing chords.

Each year, we watch these young singers perform their favorite barbershop tunes on the Midwinter stage. With your support, their energy brings joy and hope for the future of barbershop.

Our gifts change lives. We create the future by giving to the Harmony Foundation. Please consider supporting us today and help give the gift of barbershop to the Next Generation of singers, leaders, and mentors!

The Next Generation Barbershop program continues to provide a space for more and more young singers to fall in love with barbershop. Through the chorus and quartet festivals and contests, these singers are given a big stage and the best audiences in the world to express themselves through this life-changing art form.
