WELCOME TO PASADENA

Welcome to Pasadena and the Barbershop Harmony Society Midwinter convention.

When I speak with long-time enthusiasts of our hobby, they all speak to Midwinter being their favorite gathering. We reconnect with old friends and make new ones along the way. There's plenty of time and space to hang out and ring a few chords. As advocates and supporters of both our heritage and our future, you'll soak in the exciting contests for both Seniors and the Next Generation. Finally, the shows are second to none!

I hope you'll take a moment now and then to step back and take it all in. Whether you are on stage or in the audience, how incredible is it that we get to experience every generation of singers singing barbershop? And most importantly, when the dust settles, all of the generations mix together. When you get home, share the love and the experiences with your friends. Thank you for being here and save me a tag!

Kevin Keller, Society Board President

Welcome to our Midwinter convention in Pasadena!

Midwinter beautifully showcases the full spectrum of our barbershop community. From the seasoned performers in our Seniors contests to the inspiring young singers in our Next Generation events, this gathering highlights the intergenerational harmony that defines our Society, through generations sharing the same stage, the same passion, and the same love of ringing chords.

As you enjoy the contests, shows, and those unmistakable hallway tags, I hope you'll take a moment to appreciate how each generation contributes to the legacy and future of barbershop. Together, we create a musical and cultural continuum that strengthens our entire community.

Thank you for being part of this special event. Wishing you a wonderful Midwinter full of harmony and the creation of memories that will last a lifetime!

NOTE: The Woodshedders Room will be in the Conference Center room 205 every day of the convention starting at 9 a.m. each morning.

Woodshedding is the art of ringing chords without using printed arrangements. In fact, the original barbershop singers did not have sheet music.

Woodshedding incorporates all the fine points of good singing, including vowel-matching and blending. The result can be an enjoyable and unique experience in quartet. All are welcome to stop by, both new and experienced woodshedders.

Determining Relative Rank

Musicality

Musicality is defined as the song and arrangement, as performed. The Musicality Category judges the arranger's skill and the performer's musicianship in bringing the mood or story of the song to life, and the suitability of the material to the barbershop style.

Performance

These judges evaluate how effectively a performer brings the song to life. They judge the entertainment value of the performance — the *art* of the performance.

Singing

In the Singing Category, artistic singing in the barbershop style is judged — listening holistically for ringing in-tune voices that use a free, beautiful and rich vocal quality, which is wonderfully unified and vocally expressive.

Each judge may award up to 100 points per song.

Read more about each category in-depth at Barbershop.org/contests

NEXT
GENERATION
BARBERSHOP

Give the Gift of Harmony to Young Singers!

Our **Next Generation Barbershop programs** offer young singers a clear pathway to learn, connect, and **experience barbershop at a high level**. At this year's Midwinter Convention in Pasadena, nearly 300 students from across the **U.S. and Canada** will share the unique experience of singing barbershop harmony on a major stage - **some even for the very first time**.

Through our **chorus festivals and quartet contests**, students gain confidence, build friendships, and deepen their musical skills. These events **bring together educators and students** who contribute fresh ideas, a collaborative spirit, and genuine enthusiasm for our art form.

Their participation this week highlights the importance of youth engagement in **preserving barbershop harmony** and demonstrates what's possible when young musicians have access to strong mentorship and a **welcoming community**.
