OFFICIAL BHS CONTEST RULES: Revision history	44

FOREWORD

These rules apply to all official quartet and chorus contests at the division, district and international levels in the Society.

Bracketed notation after a subsection indicates primary responsibility for rule review and revision among Society Board of Directors [SBOD], Society executive director [CEO] and Society Contest & Judging Committee [SCJC].

SBOD has ultimate responsibility for, and general oversight of, the BHS Contest Rules. It has direct responsibility for issues related to barbershop style or image/character concerns, any fundamental or structural changes to contests (such as removal or modification of an international contest) or penalties. [SBOD] - any modification should involve CEO and SCJC input and recommendations; fundamental and substantive changes to contests/championships require SBOD approval. Two weeks advance notice of revisions will be given the SBOD and, absent any disapproval, the changes are approved

CEO has operational supervision and handles rankings and awards, operational requirements, such as membership or other logistical issues. Changes of responsibility between SCJC and CEO can be made upon mutual agreement or as directed by the SBOD. Other responsibility changes require SBOD approval. [CEO] - any modification should involve SCJC input and recommendations. Two weeks advance notice of revisions will be given the SBOD and, absent any disapproval, the changes are approved.

SCJC - SCJC handles details within the boundaries of the contest or issues that could affect ability to score. [SCJC] - any modification can be made by the SCJC without SBOD approval; CEO will be consulted prior to any change. Two weeks advance notice of revisions will be given the SBOD and, absent any disapproval, the changes are approved.

In matters not specifically covered by these rules, the districts may exercise reasonable latitude and prerogative provided that the established ethics and policies of the Society are closely observed.

DEFINITIONS

Ensemble Classifications

❖ Gender Identity

Ensembles are classified by the individual members' self-identification in the Society Member Center database.¹

❖ Quartet

- *Men's*: consists only of members who identify as male.
- *Women's*: consists only of members who identify as female.
- *Mixed Harmony (All Voices)*: consists of members who identify as a combination of gender identities that are not all-male or all-female.

❖ Chorus

- *Men's*: all singers identify as male. The gender identity of the director is not relevant to chorus classification.
- *Women's*: all singers identify as female. The gender identity of the director is not relevant to chorus classification.
- *Mixed Harmony (All Voices)*: any chorus in which all singers identify as a combination of gender identities that are not all-male or all-female. [CEO]

Target and Minimum Scores for International Qualification

The *target* score to automatically qualify for International is adopted by the Society executive director prior to the first qualifying preliminary contest for the international contest in question, after considering the target score recommended by the Society Contest and Judging Committee. The target score adopted by the Society executive director shall remain in effect until changed by subsequent action by the Society executive director.

Similarly, all quartets and choruses qualifying for summer International contests must have earned a *minimum* score, which is adopted by the Society executive director after considering the score recommended by the Society Contest and Judging Committee. The minimum score adopted by the Society executive director shall remain in effect until changed by subsequent action by the Society executive director. [CEO]

CONTEST	TARGET SCORE	MINIMUM SCORE
International Quartet (Article II.C.1)	81.0%	76.0%
International Chorus (Article II.G.1)	80.0% (2026) 81.0% (2027)	74.0%

Next Generation Varsity Quartet (Article II.E.1)	None	None

¹ Individuals self-describe how they gender identify and that description is stored as part of their member record. The Barbershop Harmony Society strives to treat all individuals equitably and with a presumption of good character and integrity in accurately maintaining their own member records.

ARTICLE I: ELIGIBILITY²

A. Quartets

1. Membership and Quartet Registration Requirements

- a. *Society and Participation Membership*: All members of Society competing quartets must be members of the Society and one or more Society districts.³ A member of the Society is defined as one with Society dues and any other dues/fees owed as a part of Society Participation Membership are fully paid and who is not under suspension by a chapter or the Society Board of Directors. [CEO]
- b. *District*: At least one member of a Society quartet must be a member of a chapter in the district in which the quartet elects to compete ([Article.I.A.4.](#)) This includes the district's Frank H Thorne chapter. [CEO]
- c. *Quartet Registration*: To be eligible for competition, a Society quartet must be registered with the Society Headquarters (Customer Service) and such registration must include the same personnel that enter the contest. The registration must be at a level which permits participation in a BHS contest, which currently is a standard quartet package, i.e., a basic package is not eligible. Any changes to quartet membership must be completed at least 7 days prior to the start of a contest. Any change in quartet membership less than 7 days before the start of a contest must be approved by the Society Contest and Judging Committee through its chair. [CEO]
- d. *Global Alliance quartets*: Membership eligibility of a competing quartet from a Global Alliance organization shall be in accordance with the memorandum of understanding between that organization and the Society. [CEO]

2. Seniors Quartet

Each member of a quartet competing in any seniors quartet contest must be age 55 or older and the sum of the accumulated ages of the quartet must equal or exceed 240 years. These requirements must be met based on birthdays reached on or before the day of the international seniors quartet contest scheduled at the next Mid-Winter convention after the contest in which a quartet is competing or, in the case of an international seniors quartet championship, the date of that championship.⁴[CEO]

3. Next Generation [NextGen] Varsity Quartet

Each member of a quartet competing in the Next Generation Varsity Quartet Contest must be age 25 or younger. This requirement must be met based on birthdays reached on or before the day of the international NextGen varsity quartet championship scheduled at the annual convention. There is no restriction regarding membership in the Society or any alliance organization⁵ [CEO]

² Any requests for exception to any of the rules on eligibility must be made to the Society Contest and Judging Committee through its chair.

³ Participation membership in Society and any district, without a specific chapter subscription, is equivalent to Frank H Thorne chapter requirement.

⁴ While the seniors quartet definition is Society-wide, super seniors quartet eligibility is a matter for district definition.

⁵ The lack of restriction applies to international. Districts may conduct youth contests that are open or with membership requirements. The former is encouraged.

4. Selection of Home District

If members of a quartet collectively hold memberships in more than one district, on its initial registration the quartet must notify the Society Headquarters (Customer Service) of the district it chooses to represent and in which it will compete. Should it wish to change its home district, the quartet must notify the Society Headquarters (Customer Service) prior to September 1 each year of the district it chooses to represent and in which it will compete. Such selection will be binding for a full year (September-August), and the quartet may not compete in any contest in any other district during that year except as provided below. [SCJC]

5. Out-of-District Competition

- a. *Request:* Under normal circumstances a quartet is expected to compete in its selected home district. However, a quartet may request to compete in a district other than its home district. [SCJC]
- b. *Action:* Such requests by a quartet to compete in a district other than its home district are subject to approval by the District Representative for Contest and Judging (DRCJ) of the requested contest district. Districts are not required to allow every quartet guaranteed "open" access to their preliminary quartet contest if they feel they need to control the size. [SCJC]

As a matter of good practice and courtesy a quartet requesting approval to compete out of district should advise its home district's DRCJ of the request. [SCJC]

- c. *Deadline:* Requests must be submitted at least 10 days prior to the official entry deadline of the out-of-district contest for which entry is desired. [SCJC]

6. Competing in Multiple Quartets or Two International Preliminary Contests

- a. *International contests:* In international contests, including seniors quartet contests, a quartet member may compete with no more than one quartet, regardless of the number of quartets or districts to which the member belongs. Any requests for exceptions to this rule must be made to the Society Contest and Judging Committee through its chair. [SCJC]
- b. *International preliminary contests:* In international preliminary contests, including seniors quartet contests, a member may compete with more than one quartet. If a member is competing in two or more quartets, each of those quartets must be comprised of no more than two of the same members. Should more than one of the quartets in which the member is competing qualify for international they must make a choice in accordance with [Article I.A.6.a](#) above. [SCJC]
- c. *Two preliminary contests:* A quartet is permitted to compete in two international preliminary or international seniors preliminary contests. The higher score of the two contests will be used in terms of possible scoring pool (wild card) qualification. An attempt at a home-district preliminary contest will be used for district representative selection. Where applicable when a district conducts two preliminary contests, the higher score in either home-district preliminary contest will be used. [SCJC]
- d. *District contests:* At least one member of a Society quartet must be a member of a chapter in the district in which the quartet elects to compete ([Article I.A.4.](#)) This includes the district's Frank H Thorne chapter. [SCJC]

7. Championship Quartets

- a. *Not Eligible to Compete:* Except in division contests, championship quartets of prior years, regardless of district or ensemble classification, will not be eligible to compete

again for the same international or type of district-level championship that it earned previously. [CEO]

- b. *Forming a New Quartet*: This rule will not be construed to prohibit the organization and entry of a new quartet of not more than two members of the same championship quartet, provided entry is made under a different name. [CEO]

8. Convention Registration

Each competing quartet member shall hold a full competitor registration for the convention at which the contest is held. [CEO]

B. Choruses

1. Membership Requirements

- a. *Society and Chapter*: All members of competing Society choruses, including director, must be members of the Society and of each chapter they choose to represent in competition. If not permitted to be a chapter member by that chapter's bylaws (single gender), a director must be a Society member and a member of the district in which the chorus is competing. Chapters represented in Society chorus contests must be in good standing with the Society and their districts. [CEO]
- b. *Global Alliance Choruses*: Membership eligibility of a competing chorus from a Global Alliance organization shall be in accordance with the memorandum of understanding between that organization and the Society. [CEO]

2. Minimum Size

A competing chorus must be composed of 9 or more participants on stage, including the director. [SCJC]

3. Seniors Choruses

Except for the director, each member of a chorus competing in any seniors chorus contest must be age 55 or older and a member of the chapter the chorus represents, including a district's Frank H. Thorne chapter-at-large. If under the age of 55 the director is not permitted to sing. Except for alliance choruses and special choruses authorized by the Society executive director, the chapter membership requirement must be met on the date of participation in the seniors chorus preliminary or the international seniors chorus championship, as appropriate. The age requirement must be met based on birthdays reached on or before the day of the international seniors chorus championship for which the chorus is qualifying or in which it is competing. [CEO]

4. Competing in Multiple Choruses

A member may participate, either as director or singer, with more than one chorus in any contest except for the international seniors chorus championship. [SCJC]

5. Distinctly Separate Choruses

While individual members are permitted to compete in two or more choruses, it is policy that only distinctly separate ensembles are allowed to compete for the same award or championship. Choruses may not be comprised of more than 75% of the same members on stage as another chorus competing for the same contest award or in the same preliminary

cycle.⁶ The percentage threshold is calculated against the smaller chorus. (See “Position Paper X. Distinctly Separate Chorus” in Chapter 9 of the *Contest and Judging Handbook* for details.) Any questions or requests for waivers should be addressed to the SCJC through its chair (see footnote 2 above.) [SCJC]

6. Out-of-District Competition

a. *Request:* Under normal circumstances a chorus is expected to compete in its home district. However, a chorus may request to compete in a district other than its home district. [SCJC]

b. *Action:* Such requests to compete in a district other than its home district are subject to approval by the district representative for contest and judging of the requested contest district. Districts are not required to allow every chorus a guaranteed "open" access to their prelim event if they feel they need to control the size. [SCJC]

As a matter of good practice and courtesy, a chorus requesting approval to compete out of district should advise its home district representative for contest and judging of the request. [SCJC]

c. *Deadline:* Requests must be submitted at least 10 days prior to the official entry deadline of the out-of-district contest for which entry is desired. [SCJC]

7. Layout after Championship

International champion choruses are not eligible to compete for the international championship to be awarded for the two contest cycles (two years absent unusual case such as pandemic) following the year in which the chorus won the international championship. This applies to distinctly different choruses as defined in [Article I.B.5](#) and does not preclude a chapter from sending a different chorus or choruses after a championship. [CEO]

8. Convention Registration

Prior to a performance every member of a competing chorus, including the director, shall hold a full paid competitor registration for the convention at which the contest is held. [CEO]

C. Violations

1. Reporting Violation

Suspected violations of Article I shall be reported to the DRCJ for contests other than international contests or to the Society Contest and Judging Committee through its chair for international contests. This must be done within 10 days after the discovery of the suspected violation and, in any event, no later than 30 days after the contest conclusion. All such reports should include all available documentation to assist with the investigation and decision. [SCJC]

2. Format

All notices and rulings with respect to Article I violations must be in writing (which includes electronic transmissions) and shall be deemed to have been given

- (1) upon personal delivery, or
- (2) three business days after being mailed, or

⁶ The intent of this rule is fairness; as an example, a men’s chorus cannot simply add a few females voices to become a mixed chorus in the same preliminary chorus cycle, not just the same chorus session.

(3) if given by electronic transmission, when received and acknowledged by the party receiving an electronic notice or ruling who shall immediately acknowledge receipt. [SCJC]

3. Effect of Violation

Quartets and choruses found in violation of [Article I.A](#) or [Article I.B](#), respectively, or related [Article II.E](#), below, are ineligible and disqualified. They will not be included in the final official scoring summary for that contest. A revised scoring summary will be published if necessary. See [Article VI](#), below. [SCJC]

D. Additional Eligibility Restrictions

As a general rule a district may not impose any additional eligibility requirement(s) for contest entry into official contests, e.g., residency or length of membership. Any request for exception to this policy should be submitted to the Society Contest and Judging Committee through its chair. [SCJC]

ARTICLE II: CONTEST ENTRY PROCEDURES⁷

A. Division Contests

Contest entry procedures for division contests are specified by district policy. However, the entry is made through the Society Member Center. [SCJC]

B. District Contests and International Preliminary Contests

1. Contest Entry

At least 30 days prior to the contest entry deadline, each district, through its specified district official(s), will make contest entry available to each eligible contestant, online through the Society Member Center. The district representative for contest and judging is responsible for notifying each eligible contestant of the timing and method of entry. [SCJC]

2. Deadline

Completed entries for the contest must be received by the district representative for contest and judging by a date specified by district policy, provided that for good cause the district representative for contest and judging may accept late entries that are received not later than 7 days prior to the contest date. [SCJC]

C. International Quartet Contests

1. Contestant Qualification

a. Attainment of Target Score (Automatic Qualification): Regardless of ensemble classification, all Society and Global Alliance quartets that meet or exceed the target score ([Article V.D.4](#)) at a preliminary event adjudicated by at least a double panel of scoring judges, appointed per [Articles IV.C](#), [IV.D](#), or [IV.E](#), shall qualify for the international contest. [NOTE: Current target score is an average of 81.0.⁸] [CEO]

⁷ Contest entry for all Society contests is accomplished online via the Society Member Center.

⁸ All references to average scores pertain to the mean of all category averages. Target and minimum scores are reported as calculated and are not subject to rounding.

- b. *Second Attempt at Automatic Qualification*: If they choose, and permission of the preliminary host district is received per [Art. I.A.5](#) where applicable, contestants will be allowed a second attempt to achieve the target score by competing in a second preliminary event. The higher score in either attempt will be used to determine target score qualification or scoring pool consideration. [SCJC]
- c. *District Representative*: In the event that no quartet from a district has attained the target score at the end of the final preliminary quartet contest in May, the district's highest-scoring quartet that competed in its home district international preliminary quartet contest(s) and met the minimum score (below) shall qualify to represent that district in the international quartet contest.^{9 10} [CEO]
- d. *Scoring Pool*: If fewer than the minimum number of quartets are qualified by the above methods (target score or district representative), the remaining quartets chosen to fill out the desired field of quartets will be selected by rank from a pool of all those quartets competing in that year's international preliminary quartet contests. If more than one quartet is ranked at the desired number by score, each quartet achieving that ranking shall qualify for the international contest. [NOTE: The current minimum number of participating quartets is 50. If more than one quartet is ranked at the minimum number by score, each quartet achieving that ranking shall qualify for the international quartet contest.] [CEO]
- e. *Minimum Score*: All Society quartets must have earned a minimum score, which is adopted by the Society executive director after considering the score recommended by the Society Contest and Judging Committee. - b. Replacement of District Representative:* If, prior to the international contest, a quartet becomes either ineligible or otherwise unavailable to compete and, if as a result, that district would not be represented in the international contest, then the next highest-ranking quartet that is available from the same district and that competed in its home-district preliminary quartet contest will replace the quartet that has become ineligible or unavailable, provided that said next highest-ranking quartet has earned the minimum score as defined in [Article II.C.1.e.](#) [CEO]

If a tie still exists, the tie will be broken by random draw and the chorus name drawn will be awarded the last qualification. [CEO]
- f. *Minimum Score*: To be eligible to compete in the international chorus contest, all Society choruses, including district representatives and scoring pool, must have earned a minimum score, which is adopted by the Society executive director after considering the score recommended by the Society Contest and Judging Committee. If the winner is ineligible the next highest scoring chorus will be invited. [CEO]

2. Replacement

- a. [CEO]
- b. Other Qualified Chorus:* If a qualifying chorus that is not a district representative withdraws from the international chorus contest or otherwise becomes unavailable, the next highest-scoring and eligible chorus in the Society not yet qualified will be invited to replace the withdrawn chorus, provided that said next highest-scoring chorus has earned the minimum score as defined in [Article II.G.1.f](#). If there is a tie for the next highest-scoring eligible chorus position, it will be resolved according to [Article II.G.1.e](#) above. [CEO]

1. Contest Qualification

- a. *Qualification*: Up to the desired number of participants, Society choruses will be invited by rank from a pool of all those choruses competing in international preliminary seniors chorus contests related to a midwinter championship. [NOTE: Current desired number of seniors choruses is 10.] [CEO]
- b. *Second Attempt at Qualification*: If they choose, seniors choruses will be allowed a second attempt to qualify by competing in a second preliminary event. The higher score of the two attempts will be used in determining the rank for consideration of an invitation to the International Seniors Chorus contest. [SCJC]
- c. *Qualification Ties*: If there is a tie between two or more choruses for the last ranking qualifier, the Society executive director will review the schedule to determine if all the tied choruses can be accommodated in the draw. If not, then the tie situation will be resolved using the standard tie-break formula, i.e., a tie will be broken by ranking the choruses according to their overall scores in the Singing category or, only if that does not break the tie, according to their overall scores in the Performance category. If a tie still exists, the tie will be broken by random draw and the chorus name drawn will be awarded the last qualification. [CEO]
- d. *Minimum Score*: To be eligible to compete in the international seniors chorus contest, all choruses must have earned a minimum score, which is adopted by the Society executive director after considering the score recommended by the Society Contest and Judging Committee. The minimum score adopted by the Society executive director shall remain in effect until changed by subsequent action by the Society executive director. **[NOTE: Current minimum score is an average of 63.0.]** [CEO]

3. Contest Entry and Deadline

Contest entry for the contest is done online through the Society Member Center and must be received by November 30 prior to midwinter. [CEO]

I. Copyright Clearance and Contestant Repertory

1. Observance of Copyright Laws

All contestants are required to observe the copyright laws in the acquisition, arranging, learning, and performance of songs and arrangements. [CEO]

2. Contest Songs and Entry Certification

Consistent with this Society policy, contestants are required to include any songs to be performed in their repertory list and to certify copyright compliance regarding those songs. Further information on cleared music can be found in the *Contest and Judging Handbook* section, “Providing Proof of Copyright Clearance for Competition” (Chapter 15.) [CEO]

3. Multiple Song Entry

If a contestant is not sure which songs they may perform in contest it can, and should, list all the possibilities in its repertory. [SCJC]

4. Use of Song Not Listed in Repertory

If it wishes to perform a song not listed in its Member Center repertory a contestant must add the song to its repertory prior to performing it in a contest. Should it perform a song in contest not in its repertory the contestant will be consulted immediately on site as to clearance of song and reason it was not listed in repertory. If this cannot be resolved on-site¹³, any further investigation will be the responsibility of the district representative for contest and judging (DRCJ) (at any contest other than international) or by the contest chair (at international contests.) Such investigation shall conclude within 7 days after the start of the contest. If an investigation finds that the song was sung without clearance at the time of performance as noted above, this information will be reported to the SCJC through its chair who will authorize disqualification. The contestant will be declared ineligible and disqualified by the panel chair. [SCJC]

5. Effect of Noncompliance

In addition to disqualification listed above, noncompliance with this rule by performing a song in contest for which copyright clearance has not been obtained or by failing to provide documentation of cleared music at any time upon request are subject to additional post-contest action deemed appropriate by the Society executive director. See also [Article IX.B.](#) [CEO]

¹³ Resolution should include contestant certification of song title & arranger, clearance prior to performance and reason for absence of song from its repertory.

ARTICLE III: SCORING CATEGORIES

Each scoring judge awards a score from 1 to 100 for each song. All contestants will be judged in the three scoring categories:

A. Musicality

The Musicality judge evaluates the degree to which performances demonstrate musicality in the barbershop style. The category assesses the musicianship demonstrated in bringing the song and arrangement to life. Further, the category assesses the ensemble's skill in accurately and artistically delivering music in the barbershop style. The Musicality category assesses the marriage of technical elements, such as precise execution of harmony and rhythm, and artistic elements, such as shape, inflection, destination within a phrase, and overall arc and development of the music. Performances exhibiting high levels of musicality feature a purposeful performer, informed by the composer, lyricist and arranger, effectively integrating and skillfully delivering these core concepts. Furthermore, the Musicality category judges are advocates for the barbershop style: a) 4-part a cappella, b) featured consonant harmony via strongly voiced chords in the barbershop vocabulary, c) melody primarily in an inside voice, d) harmonic variety and richness featuring characteristic chord progressions, and e) primarily lyrical, homorhythmic textures (although additional textures are used for contrast and development.) [SCJC]

B. Performance

The Performance judge evaluates how effectively a performer brings the song to life; that is, the believability of the theme in its musical and visual setting. The judge responds to both the vocal and visual aspects of the performance, but the judge principally evaluates the interaction of those aspects as they work together to create the image of the song. The judge adjudicates the quality and appropriateness of the overall effect. The Performance judge evaluates everything about the performance that contributes to emotional impact upon the audience. [SCJC]

C. Singing

The Singing judge evaluates the degree to which the performer achieves artistic singing in the barbershop style. Artistic singing is accomplished through precise intonation, a high degree of vocal skill and appropriate vocal expression, and a high level of unity and consistency within the ensemble. Mastering these elements creates a fullness and expansion of sound, and when combined with expressive vocal skills will convey a feeling of genuine emotion to support the message of the song. [SCJC]

ARTICLE IV: CONTEST JUDGES

A. Certification

Through its chair, the Society Contest and Judging Committee certifies scoring and administrative judges in their respective categories in accordance with their qualifications to judge one of the three scoring categories or to serve as a panel chair or additional administrative judge. It is the duty of the Society Contest and Judging Committee through its chair to provide an official roster of certified and candidate judges. (See Chapter 12 of the *Contest and Judging Handbook* for administration policies and additional information on certification.) [CEO]

B. Appointment of International Panels

1. Appointment

The judges for international contests are appointed from the *Barbershop Harmony Society Contest and Judging Roster* by the Society Contest and Judging Committee through its chair. [CEO]

2. International Contests with Triple-Panel Minimum

A minimum of three judges per scoring category shall be used in the NextGen varsity quartet contest, the international seniors quartet contest and the international seniors chorus contest. In addition, the panel shall have a panel chair and at least one additional administrative judge. [CEO]

3. International Contests with Quadruple Panel

A minimum of four judges per scoring category shall be used in the international quartet and chorus contests. In addition, international panels shall have the contest chair, a panel chair and one additional administrative judge. [CEO]

4. Contest Chair for International Contests

The Society Contest and Judging Committee chair shall serve as contest chair for international quartet and chorus contests, unless unavailable for any reason, in which case, the committee immediate past chair or another past chair designated by the Committee chair shall serve as contest chair for any rounds(s) in which the Committee chair is unavailable. The contest chair will be the final authority for any and all decisions outlined in [Article XIV](#) (Operation of Contest.) [CEO]

C. Appointment of Division, District, and International Preliminary Panels

1. Appointment

The panel chair, additional administrative judges and scoring judges for division, district, and international preliminary contests are appointed from the *Barbershop Harmony Society Contest and Judging Roster* by the Society Contest and Judging Committee through its chair. An experienced candidate judge may be appointed to the panel upon approval of their category specialist. [SCJC]

2. Contests with Double-Panel Minimum

- a. *Normal Panel Composition:* At least a double panel, typically defined as two judges per scoring category, shall be assigned for international preliminary contests to automatically qualify for International by attaining the target score. In addition, those panels shall have one panel chair and at least one other Administrative Judge. [SCJC]
- b. *Single Missing Judge:* If there are at least five scoring judges present (two judges in two of the categories and one in the other) the panel will be considered a valid double panel for purposes of automatic qualification on score for an international contest regardless of the reason for the missing judge (health or travel issues for an assigned judge or by DRCJ request). The contestant's scores will be determined following the Unbalanced Panel procedure described in Article IV.D. [SCJC]
- c. *District Representative Only Qualification:* If an international preliminary contest has only three or four scoring judges present (either by plan or due to travel or health issues), the scores may be used to determine a District representative as described in

Article II, but the scores cannot be used for automatic qualification by attaining the target score. The scores will be determined following the Unbalanced Panel procedure described in Article IV.D. If there are contestants that are at or close to the automatic qualifying score, the DRCJ may submit a video of those contest performances to the SCJC for review, and SCJC will make a recommendation to the Society executive director as to whether an invitation should be extended. [SCJC]

3. District and Division Contests

The number of judges for district and division contests, other than those involving an international preliminary contest, is determined by the Society Contest and Judging Committee through its chair in consideration of the number of contestants and the efficient use of judges' time in conducting feedback sessions. (See Chapter 14 of the *Contest and Judging Handbook* for guidelines and policies on the use of judges.) With the approval of the Society and Judging Committee through its Chair, a District may opt to have an Unbalanced Panel as described in Article IV.D. [SCJC]

D. Unbalanced Panel

A contest that is adjudicated with a different number of judges per scoring category shall be considered an *Unbalanced Panel*. An Unbalanced Panel may occur due to health or travel issues for assigned judges or by DRCJ request to ensure efficient use of judges' time in conducting feedback sessions. An Unbalanced Panel is valid if there is at least one scoring judge per category and no category has more than one fewer judge than any other category.

The Administrative Judges will record scores as if this were a “balanced” panel, for example:

- A panel of 4 judges will be treated as a “normal” balanced double panel (6 judges) with one judge “missing” in each of 2 categories.
- A panel of 5 judges will be treated as a “normal” balanced double panel (6 judges) with one judge “missing” in 1 category.
- A panel of 7 judges will be treated as a “normal” balanced triple panel (9 judges) with one judge “missing” in each of 2 categories.
- A panel of 8 judges will be treated as a “normal” balanced triple panel (9 judges) with one judge “missing” in 1 category.

For the categories with “missing” judges, the score for the missing judge in each category is entered as:

- The score of the remaining judge in that category for a double panel.
 - The average of the scores of the two remaining judges in that category for a triple panel.
- [SCJC]

E. Appointment from Other Organizations

A judge for division, district, and international preliminary contests may be appointed from a Society Global Alliance barbershop organization or from Harmony Incorporated. This might occur when a judge from the *Barbershop Harmony Society Contest and Judging Roster* is not available or must be replaced after being appointed. This also might occur when a certified judge may have indicated availability for a contest initially, but time constraints, financial

considerations or other mitigating circumstances prevail. All such appointments are subject to approval by the Society Contest and Judging Committee through its chair. [SCJC]

F. Panel Expense Allowance

An expense allowance for each judge will be determined by using the “Guidelines and Limitations on the use and Travel of Judges for Society Contests” contained in the *Contest and Judging Handbook* (Chapter 14.V through 14.VIII). [SCJC]

ARTICLE V: CONTEST PROVISIONS AND TYPES

A. General Provisions for All Contests

1. Sections (parts of Round or former Session)

If there are more than 25 contestants in a round (session), that round shall be divided into two or more sections, scheduled as separate events. In unusual circumstances, an exception to this rule in the international quartet and chorus contests may be made by the Society Contest and Judging Committee through its chair and an exception in contests other than international may be made by the district representative for contest and judging in consultation with the Society Contest and Judging Committee through its chair. [SCJC]

2. Convention Registrations

All contestants shall hold full competitor registrations for the convention at which the contest is held. [CEO]

3. Contest Entry

Each group must be entered into the contest(s) the group is competing for prior to the start of a contest. Contest entries may be altered by the DRCJ or the Panel Chair based on eligibility rules (such as plateaus based on number of competitors on stage). [SCJC]

4. District Discretion on Categories of Contests

Districts are permitted to create categories of division and district contests based on ensemble classification as maintained in Society records (men’s, women’s, and mixed harmony/all voices.) Districts may also create open contests without regard to group classification. [SCJC]

2. Elimination Round and Number in Finals

If quartets are judged on four different songs in two appearances and there are more than ten contestants, the first appearance is an elimination round to reduce the number of quartets

competing in the second, or final, appearance to ten or fewer. Districts may exercise latitude in the number of finalist quartets. [SCJC]

D. International Preliminary Quartet Contests

1. Timing, Oversight and Supervision

International preliminary quartet contests may be held in each district each year under the general supervision of the Society executive director.¹⁴ Contests will be held between August of the preceding year through the first weekend in May of the year of the international quartet contest for which quartets are qualifying, unless otherwise directed with prior approval of the Society Contest and Judging Committee through its chair. The international preliminary quartet contest may coincide with the district quartet contest. [CEO]

2. Adjudication

Quartets are judged on four different songs with two songs in each of two appearances unless the first appearance is an elimination round to reduce the number of quartets competing in the second, or final, appearance to the number as specified in Article V.D.3, below. Only those quartets advancing to the final round are eligible to qualify for the International Quartet Contest. [SCJC]

3. Number of Finalist Quartets

Districts may exercise latitude in the number of finalist quartets, but the panel chair will increase the number of quartets competing in the finals if more quartets are within three percentage points of achieving the target score, which is the score allowing eligibility for the international contest adopted by the Society executive director prior to the first qualifying preliminary contest for the international contest in question, after considering the target score recommended by the Society Contest and Judging Committee. [SCJC]

4. Target Score for Automatic Qualification

The target score adopted by the Society executive director shall remain in effect until changed by subsequent action by the Society executive director. [See [Article II.C.1.a](#)] [CEO]

[CEO]

3. Quarterfinals Adjudication

Each contestant is judged on two different songs in a round known as the international quarterfinals. [CEO]

¹⁴ A district has the option to not hold preliminary contests or to hold multiple contests. Contact the SCJC chair to discuss and determine a schedule and course of action.

4. Semifinals Adjudication

The twenty highest-scoring quartets plus ties in the quarterfinals will compete in the international semifinals. Each contestant will be judged on two more songs. [CEO]

5. Finals Adjudication

The ten highest-scoring quartets plus ties from the semifinals will compete in the international finals. Selection of quartets will be by ranking, computed from the combined scores obtained in the quarterfinals and semifinals. Every contestant in the finals will be judged on two more songs. [CEO]

6. Ranking and Awards

After the finals round, ranking of quartets will be computed from the combined scores obtained in the quarterfinals, semifinals, and finals rounds. The first-place quartet will be declared the international quartet champion. Four additional places will be designated as international medalist quartets. Non-medalist quartets placing in the finals round will be recognized as international finalists. Special recognition shall be given to the highest-scoring new quartet. (See detailed criteria specified in Chapter 18 of the *Contest and Judging Handbook*.) [CEO]

ARTICLE VI: OFFICIAL RESULTS

A. Official Scoring Summary

1. Items included in the Official Scoring Summary

An official scoring summary will show the district, and division if appropriate, the contest date and location, the average score for each category for each song for each eligible contestant, the total score for each performance, the names of the songs, and the names of the official panel members. [SCJC]

2. International Quartet Contests

For international quartet contests an official scoring summary will be published by the panel chair immediately after the quarterfinals and semifinals, showing all the scores of the eliminated quartets, and after the finals, showing all the scores of the finalist quartets.

Publication of the official scoring summary will not be made until announcements for that round have been completed. [SCJC]

3. Contests Other Than International Quartet Contests

For all contests other than international quartet contests an official scoring summary will be published by the panel chair immediately following the announcement of winners and/or qualifiers. A scoring summary for eliminated quartets may be published by the panel chair following the conclusion of a semifinals round. [SCJC]

B. Revised Official Scoring Summary

Should an administrative or typographical error be found in a published official scoring summary, a revised official scoring summary will be issued within 5 days after discovery of the error and, in any event, no later than 30 days after the contest's conclusion. [SCJC]

ARTICLE VII: RANKING OF CONTESTANTS

A. Ranking

1. All Contests

Contestants in international contests will be ranked in accordance with the cumulative total scores awarded by the panel of judges with ties broken as indicated below. [SCJC]

B. Scores

1. Reporting After Performance

The judges will report their scores to the panel chair immediately following each contestant's performance. [SCJC]

2. Statistical Variances

During each contest round the panel chair will notify each category if any statistical variances exist. The judges in that category will review their notes and all scores provided by the panel for either song in the performance. At that time, the judges in that category can change their scores for either song or leave them stand. The panel chair will make any changes indicated and thereafter the scores are official. (See "Position Paper VIII. Statistical Variances" in Chapter 9 of the *Contest and Judging Handbook* for more details.) [SCJC]

C. Ties

1. Ties Broken

A tie for any place will be broken by ranking the contestants according to their overall scores in the Singing category and, only if that does not break the tie, according to their overall scores in the Performance category. If a tie still exists, the tie will stand. [SCJC]

2. Medals

Should a tie situation still occur in a medalist position following the above calculations, any medal(s) specified in [Article V](#) that immediately follow(s) the tie ranking will not be awarded. E.g.: With a tie for 3rd medals are awarded to 1, 2, 3, 3, and 5. [SCJC]

D. Ineligibility/Disqualification

1. Reranking

In the event a contestant is declared ineligible and disqualified for any rule violation after the results are announced or published, its listing will be removed and its rank order (where applicable) shall be filled by the next ranked contestant, and a revised official scoring summary will be published accordingly. All remaining contestants will have their order adjusted accordingly. [SCJC]

2. Return and Redistribution of Medals and Awards

If the ineligible and disqualified contestant was given a medal or other award as one of the top-ranked contestants in a contest, all members of the disqualified quartet or chorus must return the awards to the Society or district for award to the appropriate contestant. [CEO]

ARTICLE VIII: ORDER OF APPEARANCE

A. Contestants' Order of Appearance (OOA)

1. Draw for Singing Order; Excused Absence

Contestants will sing in the order in which their names are selected. The order of appearance will be assigned by random draw. The order also may be assigned by a predetermined objective seeding method. However, owing to circumstances beyond the control of the contestant, the panel chair or the district representative for contest and judging (prior to a contest for other than an international contest) may excuse an appearance other than in assigned order. [SCJC]

- a. During contest:* The panel chair will determine whether to give an excused contestant the opportunity to appear after all other contestants in that contest round, or if the round consists of multiple sections, after all other contestants in that section of the contest round. [SCJC]
- b. Prior to a contest:* For other than an international contest the district representative for contest and judging may equitably determine a modification to the order of appearance for reasons beyond the control of the contestants. For international contests the Society Contest and Judging Committee, through its chair, may equitably determine a modification to the order of appearance for reasons beyond the control of the contestants. [SCJC]

B. Unexcused Absence

Any contestant, not excused, that fails to perform in its assigned order of appearance will be penalized. The panel chair will assess a penalty of five points per scoring judge. A penalized contestant will have the opportunity to appear after all other contestants in that contest round. [SCJC]

C. OOA in Case of Absences by Multiple Contestants

If there are two or more excused or penalized contestants, their order of appearance will be determined by the panel chair. [SCJC]

D. Failure to Appear During Round

Any contestant that fails to appear in any round will not be eligible to compete in any subsequent round in that contest. [SCJC]

E. Request to Sing First in a Contest

1. Written Request Prior to Draw

- a. *International contests*: Prior to the date of the official draw for singing order, a chorus or quartet participating in an international contest may request in writing to the Society Contest and Judging Committee through its chair that it be permitted to sing at the beginning of the contest. [SCJC]
- b. *District contests*: Prior to the date of the official draw for singing order, a chorus or quartet participating in a district or division contest may request in writing to the hosting district's representative for contest and judging that it be permitted to sing at the beginning of the contest, subject to district policy. [SCJC]

2. Multiple Requests

If more than one group requests to sing at the beginning of a contest, a drawing prior to the official order draw will be held among those contestants to determine the order in which they will sing at the beginning of the contest. [SCJC]

ARTICLE IX: SONGS AND ARRANGEMENTS

A. Songs

1. Barbershop Style

All songs performed in contest must be arranged in the barbershop style. (See style definition in Chapter 2 of the *Contest and Judging Handbook*.) A song performed in contest should have melody and harmony consistent with the barbershop style, must be neither primarily patriotic nor primarily religious in intent and must align with the Society's Statement of Acceptable Taste. [SBOD]

2. Musicality Category Elements: In a contest certain musical elements are so significant to the style that deficiencies must be noted explicitly to provide sufficient information on the basis for the scoring and for performer feedback.

- a. *Unaccompanied*: Songs must be sung without any kind of musical accompaniment and without instrumental introduction, interlude, or conclusion. The latter provision applies to both the entire performance and each individual song. Violation of this provision will result in penalties up to and including forfeiture by the Musicality judge(s.) [SBOD]
- b. *Four-part Texture*: In chorus contest performances of songs, selected use of a soloist, duet, trio or quartet is acceptable if it is brief and appropriate. However, at no time should the musical texture exceed four parts. Violation of this provision will result in penalties up to and including forfeiture by the Musicality judge(s.) The spoken word, brief and appropriate, is not considered an additional "part" in this context. [SBOD]
- c. *Melody*: The melody should be present and distinguishable and is most consistently sung by the lead, with the tenor harmonizing above the melody, the bass singing the lowest harmonizing notes, and the baritone completing the chord. Excessive passages with the

melody not in an inside voice will result in penalties up to and including forfeiture by the Musicality judge(s.) [SBOD]

- d. *Lyrics*: Lyrics should be sung by all four parts through most of the song's duration. Excessive passages without words in all four parts will result in penalties up to and including forfeiture by the Musicality judge(s.) [SBOD]
- e. *Other Issues*: Songs not consistent with the barbershop style for any other musical reason (including characteristic chord progressions featuring dominant seventh and ninth chords resolving around the circle of fifths, harmonic richness, chord vocabulary or lack of homorhythmic texture) will be adjudicated in terms of the quality of the performance by the Musicality judge(s.) Songs lacking these stylistic characteristics will score lower holistically. [SCJC]

3. Performance Category Elements

- a. *Patriotic or Religious Intent*: Songs primarily patriotic or primarily religious in intent will result in penalties up to and including forfeiture by the Performance judge(s.) (See PER CD of the *Contest and Judging Handbook* for levels of penalties.) [SBOD]
- b. *Taste*: A contestant's songs, actions, or attire that are not in acceptable taste will result in penalties up to and including forfeiture by the Performance judge(s.) (See "Position Paper II. Taste" in Chapter 9 of the *Contest and Judging Handbook* for details.) [SBOD]

4. Repetition of Song

- a. *Substantial Part Repeated*: Within all rounds of a specific contest, a contestant may not repeat a song or a substantial part of any song. In the context of these rules, the term song may refer to a single song or a medley in which major portions of two or more songs are used. A parody of a song previously sung would be considered repeating a song. [SCJC]
- b. *Actions by Musicality Judge(s)*: A Musicality judge shall record a score of zero if a contestant repeats a song or a substantial portion from one of its songs in another song. If there are two or more Musicality judges and they all agree on the forfeiture, then only in that case shall the panel chair record as zero the contestant's entire score in all categories for the repeated rendition of the song(s.) Absent unanimous agreement, the panel chair records the scores provided by the individual judges. [SCJC]

B. Copyright Compliance

Contestants must comply with the copyright law in the acquisition, arranging, learning, and performance of songs for contest. Violations of this article relating to copyright law compliance are subject to post-contest action deemed appropriate by the Society executive director. See also [Article II.I.](#) [CEO]

ARTICLE X: SOUND EQUIPMENT AND STAGE SETTING

A. Equipment

1. Provision and Operation; Monitor Speakers Permitted

The best possible sound equipment will be provided, if needed, by hosts of convention/contests. Monitor speakers are permitted and encouraged. Sound equipment should be operated by a competent operator. [SCJC]

2. Testing and Approval

The stage setting will be set up sufficiently in advance of the starting time of the contest so that the sound equipment and lighting may be tested under the supervision of the panel chair. The contest will not start until the panel chair has given indicated approval of the stage, lighting, and sound setup. [SCJC]

B. Restrictions and Exception

1. Offstage Use of House System

Contestants may not make offstage use of the house sound system. [SCJC]

2. Recorded Music or Spoken Word

The use of recorded music (vocal or instrumental) and/or recordings of the spoken word is not permitted. A brief chime or flourish is not considered as music for the purpose of this rule, nor is a quick word considered speech, and both will be considered under [Article X.B.4](#) below. [SCJC]

3. Artificial Enhancement

Contestants may not use their own equipment to amplify or alter their voices while singing, electronically or otherwise. The use of any other technology to enhance the singing voice is not permitted. (See “Position Paper XI. Electronic Enhancement, Sound Effects and Recorded Sound” in Chapter 9 of the *Contest and Judging Handbook* for more details.) [SCJC]

4. Electronic Pitch; Sound Effects

Contestants may use electronic means independent of the house system to take pitch or to provide limited sound effects. Sound effects, electronic or otherwise, deemed to be excessive or detrimental to the performance shall be adjudicated in terms of the quality of the performance by the Performance judge(s) or even be considered a violation of [Article X.B.2](#). In order to avoid surprise and potential delay for inquiry, contestants should communicate planned use of loud or unusual sound effects to the panel chair prior to the performance. [SCJC]

C. Jurisdiction and Penalties

Violations of [Article X.B.1](#), [X.B.2](#) and [X.B.3](#) are subject to penalties up to and including forfeiture by the Singing judge(s.) [Article X.B.4](#) is judged holistically by the Performance judge(s.) [SCJC]

ARTICLE XI: STAGING

A. Restrictions

1. Non-Members and the “Stage”

Persons who are not members of the competing chorus or quartet may not appear on stage during the performance. Violation of this rule in contest will result in the performance being declared ineligible and disqualified. The stage is defined by the performer/ performance and thus may on occasion extend past traditional boundaries set forth by the performance venue. While this may allow for choruses and quartets to build rapport with, or generate response from the audience, the song(s) must be performed solely by members of the competing chorus or quartet. In the event this comes into question, the panel chair, with assistance from the Performance Judge(s), will decide if a non-member violation has occurred. [SCJC]

2. Taste

Barbershop performances should not contain vulgar, suggestive or otherwise distasteful actions, lyrics, or attire. In addition to adjudication with penalties up to and including forfeiture by the Performance judge(s), the performance may be stopped by the panel chair per [Article XIV.A.3](#). In consultation with the Performance judge(s) the panel chair will determine if the performance may be rescheduled or adjudicated up to the point of stoppage. [CEO]

B. Jurisdiction and Adjudication

Other than a panel chair stopping a performance as noted above, the Performance judge(s) will have jurisdiction over issues of bad taste and staging, other than as provided for international contest staging noted in section C below. (See the Performance category description in Chapter 6 of the *Contest and Judging Handbook* for a discussion of unacceptable staging.) [SCJC]

C. International Contest Staging

1. Chorus Loading

- a. *Time expectation:* Choruses are expected to get on stage in a prompt manner as to ensure the contest flows smoothly. Development of additional staging detracts from the flow of the contest. From the time the chorus is given approval to assemble on the stage to the moment the chorus indicates it is ready to perform, it is reasonable that a chorus of fewer than 50 will be onstage and ready within 6 minutes, 50-100 will be ready within 7 minutes, and more than 100 onstage within 8 minutes. [CEO]
- b. *Penalty:* Exceeding this time frame will result in a penalty of five points per song per scoring judge. The stage crew will keep the official time and the panel chair (or designated representative) will be present for the loading process to ensure fairness and will provide exceptions for issues beyond the chorus' control. Nothing in this rule is intended to discourage an individual or individuals from entering or exiting at a time that is different from the bulk of the chorus or an indication of readiness. Warnings will be given at 1 minute and at 30 seconds. At no time are contestants allowed behind the risers. [CEO]

2. Props

- a. Restrictions:* If props and/or stage enhancements are to be used, they must be simple enough that at most two people can carry and set them up, and they must be freestanding.
- Nothing can be attached to or leaned against the riser (back) safety rails.
 - No extensions to the end risers are permitted.
 - At no time are contestants allowed behind the risers.
 - No props or stage enhancements can be used that may contravene local fire and safety codes (open flame, fireworks, open water other than in a glass or pitcher, etc.) [CEO]
- b. Penalty:* Violations of the preceding will result in a penalty of five points per song per scoring judge. The international contests chair, after recommendation of the stage manager, will make this determination. [CEO]
- c. Financial liability*
- 1) Any use of props and/or stage enhancements that damages microphones and/or lights will result in the chorus or quartet being held financially responsible to BHS for the replacement in kind of damaged equipment. [CEO]
 - 2) Any use of props and/or stage enhancements that results in alteration to the condition of the stage and/or house and requires additional labor to rectify the stage and/or house to its pre-performance condition will result in the chorus or quartet being held financially responsible to BHS for the total cost of the labor incurred. [CEO]

3. Cleanup

- a. Restrictions:* Confetti and similar small material that requires extensive cleanup are banned from use in both chorus and quartet contests. Other materials that are difficult to clean up (requiring mops, brooms, vacuum cleaners, etc.) are strongly discouraged from the stage. [CEO]
- b. Penalty:* Any clean-up longer than 60 seconds will result in a penalty of five points per song per scoring judge. This does not include the pick-up of coats, tables, vests, etc., that do not require further cleaning. Time will begin from the start of the clean-up effort and kept by the stage manager and stage crew. Determination to apply the penalty will be made by the international contests chair. At no time are contestants allowed behind the risers during cleanup. [CEO]

ARTICLE XII: NON-SINGING COMMENT/DIALOGUE

A. Spoken comments

Non-singing dialogue is generally not a part of a contest performance. However, brief comments made with supporting visual communications may be permitted more clearly to establish mood/theme, to assist the transition of packaged songs, or to add to the effect of closure of mood/theme. [SCJC]

B. Adjudication

Spoken words deemed to be excessive or detrimental to the performance shall be adjudicated by the Performance judge(s) in terms of the quality of the performance. [SCJC]

A. Forfeiture

A scoring judge indicates forfeiture by awarding a score of zero. Forfeiture of all panel scores with scores of zero is indicated after unanimous action of the Musicality judge(s) under [Article V.A.2.b](#). Forfeiture or any penalty is appropriate only when specifically provided for in these rules. [SCJC]

B. Inclusion in Official Scoring Summary

Penalties and forfeitures will be published as part of the official scoring summary, with citation of the rule that was violated, if appropriate. [SCJC]

C. No Public Announcement

There will be no public announcement of any penalty or forfeiture. [SCJC]

D. Historical Notes

Our first judging systems attempted to manage developing a quantitative score (objective) in judging an artistic endeavor (subjective) using reductions and penalties. This mindset is part of our history and heritage, going back to almost the beginning.

In the last change of categories in 1993, the judging system recognized that inartistic choices were conditional. Not every inartistic choice would have the same impact on the performance. Therefore, there were no formal reductions stated in the rules. The rules used language such as “the score will be lower when...” vs “the score will be lowered when...”. The former is a result; the latter is an action. However, the mindset continued as judges were comfortable “reducing” for inartistic choices.

As the categories matured, the reductions ceased, and you heard judges use the word “holistic” in their scoring process. This is the original vision of the categories in place. In 2007, a stomp during the middle of a performance was viewed as being too long against the current set of rules and their score was lower. This resulted in a tie, but they prevailed because of their singing scores. When people questioned why it was so close, what came out was that they were

“penalized” because of the stomp. Yet there was no such thing as a penalty in the rules. As a result, the BHS CEO wanted full disclosure of reductions due to any sort of rule infraction or inartistic choice. This forced C&J into attempting to quantify the impact of such issues. After implementation in the fall of 2007 and then making wholesale changes in the Spring of 2008, the reduction (penalty) system was in place for the Fall 2008.

Although we appreciate the desire to communicate about such issues, it is much harder than that. The overriding fear by the judges is if an inartistic issue arises, the score is already impacted. This could result in double-penalizing. The score is what it is because it occurred. Then you apply an additional penalty to satisfy the issue. Depending upon what it is, attempting to imagine a performance without the issue of determining a baseline can be impossible. So, it ends up being quite nebulous at times and not adding sufficient value to any entity.

SCJC indicates the application of significant penalties of five or more points on the OSS. Four or fewer is minor (discussed in contestant feedback) and making an inartistic choice will become part of the overall score.

ARTICLE XIV: OPERATION OF CONTEST

A. Panel Chair Responsibility and Authority

1. Authority for Contest Operation

Once the contest begins, and until the contest results are determined, the panel chair is completely in charge of the operation of the contest, subject to the final authority of the contest chair for international quartet and chorus contests ([Article IV.B.4.](#)) [SCJC]

2. Contest Environment

The panel chair is responsible for ensuring that the contest environment is as fair and consistent as possible for all contestants subject to the final authority of the contest chair for international quartet and chorus contests ([Article IV.B.4.](#)) Action on environmental issues will consider contestants, audience, and panel, in that order of priority. [SCJC]

3. Stopping Performance and Rescheduling

- a. *Sole Authority*: The panel chair has the authority to stop the performance and judging and may reschedule the entire performance later in the contest if appropriate. [SCJC]
- b. *Repeat Performance*: At the discretion of the panel chair, a contestant may be allowed to repeat an entire performance later in the contest. [SCJC]
- c. *Cancellation and Rescheduling*: If the panel chair, in consultation with others, must cancel a round or an entire contest, that round and/or contest will be rescheduled by the panel chair in conjunction with the appropriate administrative body supervising the contest. In making these decisions, the panel chair will consult with scoring judges as appropriate. [SCJC]

B. Announcements

Announcement of the results of the contest will be the responsibility of the contest chair for international contests and the responsibility of the respective districts for all other contests. [SCJC]
