OFFICIAL BHS CONTEST RULES: Revision history
FOREWORD

These rules apply to all official quartet and chorus contests at the division, district and international levels in the Society.

In matters not specifically covered by these rules, the districts may exercise reasonable latitude and prerogative provided that the established ethics and policies of the Society are closely observed.

Bracketed notation after a subsection indicates primary responsibility for rule review and revision among Society board [SBOD], executive director [CEO] and Society Contest & Judging Committee [SCJC]. SCJC handles details within the boundaries of the contest or issues that could affect ability to score. CEO has operational supervision and handles rankings and awards, operational requirements, such as membership or other logistical issues. SBOD has general oversight and handles issues related to barbershop style or image/character concerns, or penalties. Changes of responsibility between SCJC and CEO can be made upon mutual agreement or as directed by the SBOD. Other responsibility changes require SBOD approval.

SBOD – Any modification should involve CEO and SCJC input and recommendations; substantive changes require SBOD approval.

CEO – Any modification should involve SCJC input and recommendations; changes can be made by the CEO without SBOD approval; SBOD is notified of any changes.

SCJC – Any modification can be made by the SCJC without SBOD approval; CEO must be consulted prior to any change; SBOD is notified of any substantive changes.

DEFINITIONS

Ensemble Classifications

❖ Gender Identity

Ensembles are classified by the individual members’ self-identification in the Society Member Center database.¹

❖ Quartet

- *Men’s*: consists only of members who identify as male.
- *Women’s*: consists only of members who identify as female.
- *Mixed Harmony (All Voices)*: consists of members who identify as a combination of gender identities that are not all-male or all-female.

❖ Chorus

- *Men’s*: all singers identify as male. The gender identity of the director is not relevant to chorus classification.
- *Women’s*: all singers identify as female. The gender identity of the director is not relevant to chorus classification.
- *Mixed Harmony (All Voices)*: any chorus in which all singers identify as a combination of gender identities that are not all-male or all-female. [CEO]

---

¹ Individuals self-describe how they gender identify and that description is stored as part of their member record. The Barbershop Harmony Society strives to treat all individuals equitably and with a presumption of good character and integrity in accurately maintaining their own member records.
ARTICLE I: ELIGIBILITY

A. Quartets

1. Membership and Quartet Registration Requirements

   a. Society and Participation Membership: All members of Society competing quartets must be members of the Society and one or more Society districts. A member of the Society is defined as one with Society dues and any other dues/fees owed as a part of Society Participation Membership are fully paid and who is not under suspension by a chapter or the Society Board of Directors. [CEO]

   b. District: At least one member of a Society quartet must be a member of a chapter in the district in which the quartet elects to compete (Art.I.A.3). This includes the district’s Frank H Thorne chapter. [CEO]

   c. Quartet Registration: To be eligible for competition, a Society quartet must be registered with the Society Headquarters (Customer Service) and such registration must include the same personnel that enter the contest. The registration must be at a level which permits participation in a BHS contest, which currently is either a standard or premium quartet package; i.e., a basic package is not eligible. [CEO]

   d. Global Alliance quartets: Membership eligibility of a competing quartet from a global alliance organization shall be in accordance with the memorandum of understanding between that organization and the Society. [CEO]

2. Seniors Quartet

   Each member of a quartet competing in any seniors quartet contest must be age 55 or older and the sum of the accumulated ages of the quartet must equal or exceed 240 years. These requirements must be met on the basis of birthdays reached on or before the day of the international seniors contest scheduled at the next midwinter convention after the contest in which a quartet is competing or, in the case of an international seniors quartet championship, the date of that championship. [CEO]

3. Selection of Home District

   In the event that members of a quartet collectively hold memberships in more than one district, on its initial registration the quartet must notify the Society Headquarters (Customer Service) of the district it chooses to represent and in which it will compete. Should it wish to change home district, the quartet must notify the Society Headquarters (Customer Service) prior to September 1 each year of the district it chooses to represent and in which it will compete. Such selection will be binding for a full year (September-August), and the quartet may not compete in any contest in any other district during that year except as provided below. [SCIC]

---

2 Any requests for exception to any of the rules on eligibility must be made to the Society Contest and Judging Committee through its chair.

3 Participation membership in Society and any district, without a specific chapter subscription, is equivalent to Frank H Thorne chapter requirement.

4 While the seniors quartet definition is Society-wide, super seniors quartet eligibility is a matter for district definition.
4. Out-of-District Competition

   a. Request: Under normal circumstances a quartet is expected to compete in its selected home district. However, a quartet may request to compete in a district other than its home district. [SCJC]

   b. Action:

      Such requests by a quartet to compete in a district other than its home district are subject to approval by the district representative for contest and judging of the requested contest district. Districts are not required to allow every quartet guaranteed “open” access to their preliminary quartet contest if they feel they need to control the size. [SCJC]

      As a matter of good practice and courtesy a quartet requesting approval to compete out of district should advise its home district representative for contest and judging of the request. [SCJC]

   c. Deadline: Requests must be submitted at least 10 days prior to the official entry deadline of the out-of-district contest for which entry is desired. [SCJC]

5. Competing in Multiple Quartets or Multiple International Preliminary Contests

   A member may compete with more than one quartet in any Society contest. If a member is competing in two or more quartets, each of those quartets must be comprised of no more than two of the same members. [SCJC]

   A quartet is permitted to compete in two international preliminary or international seniors preliminary contests. A second attempt automatically replaces the first-attempt score in terms of possible scoring pool (wild card) qualification. The first attempt in a home-district preliminary contest normally will be used for district representative selection. However, where applicable when a district conducts two preliminary contests, a second attempt in a home-district preliminary contest will replace the first home-district attempt. [SCJC]

   Any requests for exceptions to this rule must be made to the Society Contest and Judging Committee through its chair. [SCJC]

6. Championship Quartets

   a. Not Eligible to Compete: Except in division contests, championship quartets of prior years, regardless of district or ensemble classification, will not be eligible to compete again for the same international or type of district-level championship that it earned previously. [CEO]

   b. Forming a New Quartet: This rule will not be construed to prohibit the organization and entry of a new quartet of not more than two members of the same championship quartet, provided entry is made under a different name. [CEO]

7. Convention Registration

   Each competing quartet member shall hold a registration for the convention at which the contest is held. [CEO]
B. Choruses

1. Membership Requirements
   a. Society and Chapter: All members of competing Society choruses, including director, must be members of the Society and of each chapter they choose to represent in competition. If not permitted to be a chapter member by that chapter’s bylaws (single gender), a director must be a Society member and a member of the district in which the chorus is competing. Chapters represented in Society chorus contests must be in good standing with the Society and their districts. [CEO]
   b. Global Alliance Choruses: Membership eligibility of a competing chorus from a global alliance organization shall be in accordance with the memorandum of understanding between that organization and the Society. [CEO]

2. Minimum Size
   A competing chorus must be composed of 12 or more participants on stage, including the director regardless of gender. [SCJC]

3. Competing in Multiple Choruses
   A member may participate, either as director or singer, with more than one chorus in any contest. [SCJC]

4. Distinctly Separate Choruses
   While individual members are permitted to compete in two or more choruses, it is policy that only distinctly separate ensembles are allowed to compete for the same award or compete in the same international contest cycle. Choruses may not be comprised of more than 75% of the same members on stage as another chorus competing for the same contest award or in the same preliminary cycle.5 In the case where both choruses are of the same ensemble classification, the percentage threshold is calculated against the smaller chorus. Otherwise, the percentage threshold applies to the mixed harmony chorus. (See Position Paper XI. Distinctly Separate Chorus in Chapter 9 of the Contest and Judging Handbook for details). [SCJC]

5. Out-of-District Competition
   a. Request: Under normal circumstances a chorus is expected to compete in its home district. However, a chorus may request to compete in a district other than its home district. [SCJC]
   b. Action:
      Such requests to compete in a district other than its home district are subject to approval by the district representative for contest and judging of the requested contest district. Districts are not required to allow every chorus a guaranteed "open" access to their prelim event if they feel they need to control the size. [SCJC]
      As a matter of good practice and courtesy a chorus requesting approval to compete out of district should advise its home district representative for contest and judging of the request. [SCJC]

---

5 The intent of this rule is fairness; so as an example, a men’s chorus cannot simply add a few females voices to become a mixed chorus in the same preliminary chorus cycle, not just the same session.
BHS Contest Rules

6. Layout after Championship

International champion choruses are not eligible to compete for the international championship to be awarded for the two contest cycles (normally two years) following the year in which the chorus won the international championship. [CEO]

7. Convention Registration

Each and every member of a competing chorus, including the director, shall hold a registration for the convention at which the contest is held. [CEO]

C. Violations

1. Reporting Violation

Suspected violations of Article I shall be reported to the district representative for contest and judging for contests other than international contests or to the Society Contest and Judging Committee through its chair for international contests. This must be done within 10 days after discovery of the suspected violation and, in any event, no later than 30 days after the contest conclusion. All such reports should include all available documentation in order to assist with the investigation and decision. [SCJC]

2. Format

All notices and rulings with respect to Article I violations must be in writing (which includes electronic transmissions) and shall be deemed to have been given
(1) upon personal delivery, or
(2) three business days after being mailed, or
(3) if given by electronic transmission, when received and acknowledged by the party receiving an electronic notice or ruling who shall immediately acknowledge receipt. [SCJC]

3. Effect of Violation

Quartets and choruses found in violation of Article I.A or Article I.B, respectively, or related Article II.E are ineligible and disqualified. They will not be included in the final official scoring summary for that contest. A revised scoring summary will be published if necessary. See Article VI, below. [SCJC]

D. Additional Eligibility Restrictions

As a general rule districts may not impose any additional eligibility requirement(s) for contest entry into official contests; e.g., residency or length of membership. Any request for exception to this policy should be submitted to the Society Contest and Judging Committee through its chair. [SCJC]
ARTICLE II: CONTEST ENTRY PROCEDURES

A. Division Contests

Contest entry procedures for division contests are specified by district policy. However, the entry normally is made through the Society Member Center. [SCJC]

B. District Contests and International Preliminary Contests

1. Contest Entry

At least 30 days prior to the contest entry deadline, each district, through its specified district official(s), will make contest entry available to each eligible contestant, normally online through the Society member Center. The district representative for contest and judging is responsible for notifying each eligible contestant of the timing and method of entry. [SCJC]

2. Deadline

Completed entries for the contest must be received by the district representative for contest and judging by a date specified by district policy, provided that for good cause shown the district representative for contest and judging with the concurrence of the Society Contest and Judging Committee through its chair, may accept late entries that are received not later than 7 days prior to the contest date. [SCJC]

C. International Quartet Contests

1. Contestant Qualification

   a. Attainment of Target Score (Automatic Qualification): Regardless of ensemble classification, all Society quartets that meet or exceed the target score (Article V.D.4) at a preliminary event adjudicated by at least a double-panel of scoring judges, appointed per Art. IV.C or IV.D, shall qualify for the international contest. [NOTE: Current target score is average of 76.] [CEO]

   b. Second Attempt at Automatic Qualification: If they choose, and permission of the preliminary host district is received per Art. I.A.4 where applicable, contestants will be allowed a second attempt to achieve the target score by competing in a second preliminary event. A second attempt automatically replaces the first-attempt score except as noted for district representative selection in Art.II.C.1.c below. [SCJC]

   c. District Representative: In the event that no quartet from a district has attained the target score at the end of the final preliminary quartet contest in May, the district’s highest-scoring quartet that competed in its home district international preliminary quartet contest(s) and met the minimum score (below) shall qualify to represent that district in the international quartet contest.7 8 [CEO]

---

6 Contest entry for all Society contests normally is done online via the Society Member Center.
7 The first attempt in a home-district preliminary contest normally will be used for district representative selection. However, where applicable when a district conducts two preliminary contests, a second attempt in a home-district preliminary contest will replace the first home-district attempt.
8 If no quartet at a home district preliminary contest attains the target score, it will not be possible to announce a district representative until all preliminary contests are completed.
d. Scoring Pool: In the event that fewer than the minimum number of Society quartets are qualified by the above methods (target score or district representative), the remaining quartets chosen to fill out the desired field of Society quartets will be selected by rank from a pool of all those quartets competing in that year’s international preliminary quartet contests. [NOTE: Current minimum number of Society quartets is 45. After global alliance quartet invitations are determined, the total number of all participating quartets will be at least 50.] [CEO]

e. Minimum Score: All Society quartets must have earned a minimum score, which is adopted by the executive director after considering the score recommended by the Society Contest and Judging Committee. The minimum score adopted by the executive director shall remain in effect until changed by subsequent action by the executive director. [NOTE: Current minimum score is average of 74.] [CEO]

f. Global Alliance Quartet Invitations: In accordance with its agreement between itself and the Society, a global alliance organization is eligible to nominate a quartet from its own or another global alliance contest as its representative to the International contest. This quartet may be invited by the Society executive director on behalf of the Society Board of Directors. All other invitations will be at the discretion of the Society executive director based on recommendations by the Society Contest and Judging Committee with the same minimum score required of Society quartets. [CEO]

2. Qualifying Quartet Replacement

a. Replacement of Quartet: If, prior to the international contest, a quartet that qualified by attainment of the target score or by scoring pool as defined above becomes ineligible or unavailable, that quartet will not be replaced, except where the loss of that quartet brings the total of Society quartets qualifying for the contest below 45. [CEO]

b. Replacement of District Representative: If, prior to the international contest, a quartet becomes either ineligible or otherwise unavailable to compete and, if as a result, that district would not be represented in the international contest, then the next highest-ranking quartet that is available from the same district and that competed in its home-district preliminary quartet contest will replace the quartet that has become ineligible or unavailable, provided that said next highest-ranking quartet has earned the minimum score as defined in Article II.C.1.e. [CEO]

3. Contest Entry and Deadline

Contest entry for the contest (normally online through the Society Member Center) must be received by no later than June 15 prior to the contest, provided, that for good cause shown and with the concurrence of the Society Contest and Judging Committee through its chair, late entries may be accepted. [CEO]
D. International Seniors Quartet Contests

1. Contest Qualification

   a. **District Representative**: The highest-scoring seniors quartet from each district competing in its home district’s preliminary seniors quartet contest(s) shall be declared the district’s representative. The first attempt in a home district preliminary contest normally will be used for district representative selection. However, where applicable when a district conducts two preliminary seniors quartet contests, a second attempt in a home district preliminary seniors quartet contest will replace the first home-district attempt. [CEO]

   b. **Scoring Pool**: The remaining quartets to fill out the field of Society quartets, up to a number determined by the executive director, will be selected by rank from a pool of all those quartets competing in one or two of that year’s international preliminary seniors quartet contests. [NOTE: Current desired number of Society quartets is 25.] In the event that more than one quartet is ranked at the desired number by score, each quartet achieving that ranking shall qualify for the international seniors contest. [CEO]

   c. **Global Alliance Seniors Quartets**: In addition to the Society quartets, seniors quartets from alliance organizations may be invited by the Society executive director on behalf of the Society Board of Directors. [CEO]

   d. **Minimum Score**: In order to be eligible to compete in the international seniors quartet contest, all quartets must have earned a minimum score that is adopted by the executive director after considering the score recommended by the Society Contest and Judging Committee. The minimum score adopted by the executive director shall remain in effect until changed by subsequent action by the executive director. [NOTE: Current minimum score is average of 61.] [CEO]

   e. **Other Seniors Quartet Contests**: Districts are free to stage other seniors quartet contests for local awards. [SCJC]

2. Notification and Indication of Intent

   All district and global alliance representatives and selected at-large quartets will be notified in early November preceding the contest date. Each quartet must advise the Society Headquarters of its intention to compete by November 15. Failure of any quartet to do so by the date specified shall constitute withdrawal of the quartet’s invitation. [CEO]

3. Qualifying Quartet Replacement

   a. **District Representative**: If a district representative withdraws or otherwise becomes unavailable, and, as a result, that district would not be represented in the international seniors quartet contest, then the next highest-ranking quartet that is available from the same district will replace the quartet that has withdrawn or become unavailable, provided that said next highest-ranking quartet has earned the minimum score as defined in Article II.D.1.d. [CEO]

   b. **Scoring Pool**: In the event any at-large quartets withdraw or otherwise become unavailable prior to the first working day of January, replacements shall be added from the scoring pool in order to not fall below a field of 25 Society quartets. [CEO]
BHS Contest Rules

c. Cut-Off Date: No replacements will be made after the first working day in January, whether or not a district would be left unrepresented and regardless of the number of remaining entries. [CEO]

4. Contest Entry and Deadline

Contest entry for the contest (normally online through the Society Member Center) must be received by the Society Headquarters no later than December 15 prior to the contest, provided, that for good cause shown and with the concurrence of the Society Contest and Judging Committee through its chair, late entries may be accepted. [CEO]

E. Personnel Change in Quartets

1. Change during Contest Not Permitted

No quartet member may be replaced during a contest. Replacement of one or more quartet members who began the first song of the contest will result in the quartet being declared ineligible and disqualified. [SCJC]

2. Personnel Change in Qualifying Quartets

a. International Quartet and Seniors Quartet Contests

After qualifying for an international contest at an international preliminary quartet contest or an international preliminary seniors quartet contest, a quartet may replace up to one member and still be eligible to compete at the international contest; i.e., at least three members who sang in the qualifying contest must sing in the corresponding international contest for that quartet to remain eligible to compete. [SCJC]

b. District and Division Contests

Policy on replacement of any quartet personnel between qualification at a division contest and a district contest is specified by each district. [SCJC]

F. International Chorus Contests

1. Contest Qualification

a. Attainment of Target Score (Automatic Qualification): All Society choruses that meet or exceed a target score shall qualify for the international contest.9 The target score is adopted by the executive director prior to the first qualifying preliminary contest for the international contest in question, after considering the target score recommended by the Society Contest and Judging Committee. The target score adopted by the executive director shall remain in effect until changed by subsequent action by the executive director. [NOTE: Current target score is average of 78.] [CEO]

b. Second Attempt at Automatic Qualification: If they choose, choruses will be allowed a second attempt to achieve the target score by competing in a second preliminary event. A second attempt automatically replaces the first- attempt score except as noted for district representative selection in Art.II.F.1.c below. [SCJC]

c. District Representative: Regardless of ensemble classification, the highest-scoring chorus from each district competing in its home district’s preliminary chorus contest(s) that achieved at least the minimum score (below) shall be declared the district’s

representative and shall qualify to represent that district in the international chorus contest. [CEO]

d. Scoring Pool: In the event that fewer than the minimum number of Society choruses are qualified by the above methods (target score or district representative), the remaining choruses to fill out the desired field of Society choruses will be selected by rank from a pool of all those choruses competing in that year’s international preliminary chorus contests. [NOTE: Current minimum number of Society choruses is 27.] [CEO]

e. Scoring Pool Ties: If there is a tie between two or more choruses for the last scoring pool qualifier, the Society executive director will review the schedule to determine if all the tied choruses can be accommodated in the draw. If not, then the tie situation will be resolved using the standard tie-break formula; i.e., a tie will be broken by ranking the choruses according to their overall scores in the Singing category or, only if that does not break the tie, according to their overall scores in the Performance category. If a tie still exists, the tie will be broken by random draw and the chorus name drawn will be awarded the last qualification. [CEO]

f. Minimum Score: In order to be eligible to compete in the international chorus contest, all Society choruses, including district representatives and scoring pool, must have earned a minimum score, which is adopted by the executive director after considering the score recommended by the Society Contest and Judging Committee. The minimum score adopted by the executive director shall remain in effect until changed by subsequent action by the executive director. [NOTE: Current minimum score is an average of 74.] [CEO]

g. Global Alliance Choruses: In addition to the Society choruses and in accordance with any agreement between a global alliance organization and the Society, choruses from global alliance organizations may be invited by the Society executive director on behalf of the Society Board of Directors. [CEO]

2. Replacement

a. District Representative: If a qualifying chorus withdraws or otherwise becomes unavailable and, as a result, that district would not be represented in the international chorus contest, then the next highest-ranking chorus that is available from the same district will be invited to replace the qualifying chorus, provided it earned the minimum score. [CEO]

b. Other Qualified Chorus: If a qualifying chorus that is not a district representative withdraws from the international chorus contest or otherwise becomes unavailable, the next highest-scoring and eligible chorus in the Society not yet qualified will be invited to replace the withdrawn chorus, provided that said next highest-scoring chorus has earned the minimum score as defined in Article II.F.1.f. If there is a tie for the next highest-scoring eligible chorus position, it will be resolved per the process of Article II.F.1.e above. [CEO]

c. Replacement OOA: If the order of appearance has been determined, the replacement chorus will fill the position of the withdrawn chorus in the contest order of appearance. [SCJC]
d. Acceptance and Replacement Cut-off Date: Invited replacement choruses will have seven days to respond to the invitation. The process for replacing withdrawals will end by April 1. [CEO]

3. Contest Entry and Deadline

Contest entry for the contest (normally online through the Society Member Center) must be received by the Society Headquarters no later than June 15 prior to the contest, provided, that for good cause shown and with the concurrence of the Society Contest and Judging Committee through its chair, late entries may be accepted. [CEO]

4. Roster and Certification Submission

a. Roster Submission: Each chorus competing in the international chorus contest must submit a roster to the Society Headquarters (Customer Service) no later than June 15 indicating all members who will be participating on stage with that chorus, including the director. The roster must include the full name and Society member number of each member who will be competing, and an indication that the member has a convention registration. [CEO]

b. Certification Statement: The roster must also include the following statement and be signed by the chapter president and chapter secretary:

“We hereby certify that this roster is accurate and that all names submitted are Society, district, and chapter members in good standing, that each member has, or will have, a convention registration, and that we have complied with all eligibility requirements outlined in Article I.B.” [CEO]

c. Validation: The Society membership department will validate each roster list submitted and notify the chapter that (1) the validated list has been forwarded to the panel chair for the international chorus contest, or (2) return the list to the chapter with notations reflecting members not in compliance with the rule. If the latter, the chorus has five calendar days to get all members submitted in compliance or remove their noncompliant names from the list. [CEO]

d. Eligibility Confirmation: The roster list and other documentation may be used by the panel chair, additional administrative judges, convention officials, or Society staff to confirm eligibility at the contest site. [CEO]

e. Effect of Noncompliance: Failure to comply with this requirement will result in declaring the chorus ineligible as specified in Article I. [CEO]

G. Copyright Clearance

1. Observance of Copyright Laws

All contestants are required to observe the copyright laws in the acquisition, arranging, learning, and performance of songs and arrangements. [CEO]
2. Contest Songs and Entry Certification

Consistent with this Society policy, as part of their contest entry contestants are required to include any songs to be performed in their repertory list and to certify copyright compliance with regard to those songs. Further information on cleared music can be found in the Contest and Judging Handbook section PROVIDING PROOF OF COPYRIGHT CLEARANCE FOR COMPETITION (Chapter 15). [CEO]

3. Multiple Song Entry

If a contestant is not sure which songs they may perform in contest, it can, and should, list all the possibilities with the entry. [SCJC]

4. Use of Song Not Listed On Entry

If it wishes to perform a song not previously listed on the entry, a contestant is required to provide documentation of cleared music to the panel chair prior to the start of the competition. Any songs performed without being listed on the entry or without documentation being provided to the panel chair will be investigated by the district representative for contest and judging (at any contest other than international) or by the panel chair (at international contests). [SCJC]

5. Effect of Noncompliance

Noncompliance with this rule by performing a song in contest for which copyright clearance has not been obtained or by failing to provide the required documentation of cleared music at any time upon request are subject to post-contest action deemed appropriate by the Society executive director, including being declared ineligible and disqualified. [CEO]

ARTICLE III: SCORING CATEGORIES

Each scoring judge awards a score from 1 to 100 for each song. All contestants will be judged in the three scoring categories:

A. Music

The Music judge evaluates the song and arrangement, as performed. The judge adjudicates the suitability of the material to the barbershop style and the performer's musicianship in bringing the song and arrangement to life. The quality of any barbershop performance depends largely on the accurate execution and artistic delivery of the consonant harmony. The judge adjudicates the performer's sensitivity and demonstrated understanding in handling these musical elements, skillfully developed, delivered, and effectively integrated in support of the musical theme(s). Furthermore, when considering the song and arrangement, the Music judge takes into account musical elements provided by the composer and arranger, such as melody, lyrics, rhythm, embellishments, implied harmony and stylistic progressions. [SCJC]

B. Performance

The Performance judge evaluates how effectively a performer brings the song to life; that is, the believability of the theme in its musical and visual setting. The judge responds to both the vocal and visual aspects of the performance, but the judge principally evaluates the interaction of those aspects as they work together to create the image of the song. The judge adjudicates
the quality and appropriateness of the overall effect. The Performance judge evaluates
everything about the performance that contributes to emotional impact upon the audience. [SCJC]

C. Singing

The Singing judge evaluates the degree to which the performer achieves artistic singing in the
barbershop style. Artistic singing is accomplished through precise intonation, a high degree of
vocal skill and appropriate vocal expression, and a high level of unity and consistency within
the ensemble. Mastering these elements creates a fullness and expansion of sound, and when
combined with expressive vocal skills will convey a feeling of genuine emotion to support the
message of the song. [SCJC]

ARTICLE IV: CONTEST JUDGES

A. Certification

Through its chair, the Society Contest and Judging Committee certifies scoring and
administrative judges in their respective categories in accordance with their qualifications to
judge one of the three scoring categories or to serve as a panel chair or additional
administrative judge. It is the duty of the Society Contest and Judging Committee through its
chair to provide an official roster of certified and candidate judges. (See Chapter 12 of the
Contest and Judging Handbook for policies and additional information on certification.) [CEO]

B. Appointment of International Panels

1. Appointment

The judges for international contests are appointed from the Barbershop Harmony Society
Contest and Judging Roster by the Society Contest and Judging Committee through its
chair. [CEO]

2. International Contest with Triple-Panel Minimum

quartet contest. In addition, the panel shall have at least one panel chair and one additional
administrative judge. [CEO]

3. International Contests with Quintuple Panel

Five judges per scoring category shall be used in the international quartet and chorus
contests. In addition, international panels shall have the international contests chair, one
panel chair and two additional administrative judges. [CEO]

The Society Contest and Judging Committee chair shall serve as international contests
chair for international quartet and chorus contests, unless unavailable for any reason, in
which case, the committee immediate past chair or another past chair designated by the
Committee chair shall serve as international contests chair for any session(s) in which the
Committee chair is unavailable. The international contests chair will be the final authority
for any and all decisions outlined in Article XIV (Operation of Contest). [CEO]
C. Appointment of Division, District, and International Preliminary Panels

1. Appointment

The panel chair, additional administrative judges and scoring judges for division, district, and international preliminary contests are appointed from the Barbershop Harmony Society Contest and Judging Roster by the Society Contest and Judging Committee through its chair. An experienced candidate scoring judge or experienced candidate administrative judge may be appointed to the panel upon approval of their category specialist. [SCJC]

2. Contests with Double-Panel Minimum

A minimum of two judges per scoring category shall be assigned in international preliminary contests. In addition, those panels shall have at least one panel chair. [SCJC]

3. District and Division Contests

The number of judges for district and division contests, other than those involving an international preliminary contest, is determined by the Society Contest and Judging Committee through its chair in consideration of the number of contestants and the efficient use of judges’ time in conducting evaluations. (See Chapter 14 of the Contest and Judging Handbook for policies on use of judges.) [SCJC]

D. Appointment from Other Organizations

A judge for division, district, and international preliminary contests may be appointed from a Society global alliance barbershop organization or from Harmony Incorporated. This is the case whether a judge from the Barbershop Harmony Society Contest and Judging Roster is not available or must be replaced after being appointed. It is also the case when a certified judge may have indicated availability for a contest initially, but time constraints, financial considerations or other mitigating circumstances prevail. All such appointments are subject to approval by the Society Contest and Judging Committee through its chair. [SCJC]

E. Panel Expense Allowance

An expense allowance for each judge will be determined by using the “Information for Computing Expense Allowance for Official Panel Members” contained in the Contest and Judging Handbook (Chapter 19 - Form CJ-21). [SCJC]

ARTICLE V: CONTEST PROVISIONS AND TYPES

A. General Provisions for All Contests

1. Sessions

If there are more than 25 contestants, they shall be divided into two or more contest sessions, scheduled as separate events. In unusual circumstances, an exception to this rule in the international quartet and chorus contests may be made by the Society Contest and Judging Committee through its chair and an exception in contests other than international may be made by the district representative for contest and judging with the prior approval of the Society Contest and Judging Committee through its chair. [SCJC]
2. Repetition of Song

   a. *Substantial Part Repeated*: Within all rounds of a specific contest, a contestant may not repeat a song or a substantial part of any song. In the context of these rules, the term song may refer to a single song or a medley in which major portions of two or more songs are used. A parody of a song previously sung would be considered repeating a song. [SCJC]

   b. *Actions by Music Judge(s)*: A Music judge shall record a score of zero if a contestant repeats a song or a substantial portion from one of its songs in another song. If there are two or more Music judges and they all agree on the forfeiture, then only in that case shall the panel chair record as zero the contestant’s entire score in all categories for the repeated rendition of the song(s). Absent unanimous agreement, the panel chair records the scores provided by the individual judges. [SCJC]

3. Convention Registrations

   All contestants shall hold registrations for the convention at which the contest is held. [CEO]

4. District Discretion on Categories of Contests

   Districts are permitted to create categories of division and district contests based on ensemble classification as maintained in Society records (men’s, women’s, and mixed harmony/all voices). Districts may also create open contests without regard to group classification. [SCJC]

ARTICLE VI: OFFICIAL RESULTS

A. Official Scoring Summary

1. Contents

   An official scoring summary will show the district, and division if appropriate, the contest
date and location, the scores for each song in each category for each eligible contestant, the
total score for each eligible contestant, the names of the songs, and the names of the official
panel members. [SCJC]

11 A district has the option not to hold preliminary contests. It should contact BHS HQ and SCJC Chair to discuss and
determine a plan of action.
BHS Contest Rules

2. International Quartet Contests

For international quartet contests an official scoring summary will be published by the panel chair immediately after the quarterfinals and semifinals, showing all the scores of the eliminated quartets, and after the finals, showing all the scores of the finalist quartets. [SCJC]

3. Contests Other Than International Quartet Contests

For all contests other than international quartet contests an official scoring summary will be published by the panel chair immediately following the announcement of winners and/or qualifiers. A scoring summary for eliminated quartets may be published by the panel chair following the conclusion of a semifinals round. [SCJC]

B. Revised Official Scoring Summary

Should an administrative or typographical error be found in a published official scoring summary, a revised official scoring summary will be issued within 5 days after discovery of the error and, in any event, no later than 30 days after the contest’s conclusion. [SCJC]

ARTICLE VII: RANKING OF CONTESTANTS

A. Ranking

1. International Quartet and Chorus Contests

Contestants in international contests will be ranked in accordance with the cumulative total scores awarded by the panel of judges with ties broken as indicated below. [SCJC]

2. Contests Other Than International Contests

Contestants in international preliminary, district or division contests need not be ranked, and normally should not be due to the complexity of combining contests on a single official scoring summary. They will be listed on the official scoring summary in accordance with the cumulative total scores awarded by the panel of judges with ties broken as indicated below. [SCJC]

B. Scores

1. Reporting After Performance

The judges will report their scores to the panel chair immediately following each contestant’s performance. [SCJC]

2. Statistical Variances

During each contest round the panel chair will notify each category if any statistical variances exist (where one score is statistically higher or lower than the rest of the panel for a song). The judges in that category will review their notes and all scores provided by the panel for either song in the performance. At that time, the judges in that category can change their scores for either song or leave them stand. The panel chair will make any changes indicated and thereafter the scores are official. (See Position Paper IX. Statistical Variances in Chapter 9 of the Contest and Judging Handbook for more details). [SCJC]
C. Ties

1. Ties Broken

A tie for any place will be broken by ranking the contestants according to their overall scores in the Singing category and, only if that does not break the tie, according to their overall scores in the Performance category. If a tie still exists, the tie will stand. [SCJC]

2. Medals

Should a tie situation still occur in a medalist position following the above calculations, any medal(s) specified in Article V that immediately follow(s) the tie ranking will not be awarded. E.g.: With a tie for 3rd medals are awarded to 1, 2, 3, 3, and 5. [SCJC]

D. Ineligibility/Disqualification

1. Reranking

In the event a contestant is declared ineligible and disqualified for any rule violation after the results are announced or published, its listing will be removed and its rank order (where applicable) shall be filled by the next ranked contestant, and a revised official scoring summary will be published accordingly. All remaining contestants will have their order adjusted accordingly. [SCJC]

2. Return and Redistribution of Medals and Awards

If the ineligible and disqualified contestant was given a medal or other award as one of the top-ranked contestants in a contest, all members of the disqualified quartet or chorus must return the awards to the Society or district for award to the appropriate contestant. [CEO]

ARTICLE VIII: ORDER OF APPEARANCE

A. Contestants’ Order of Appearance (OOA)

1. Draw for Singing Order; Excused Absence

The order of appearance will be assigned by random draw. Contestants will sing in the order in which their names are drawn. Alternatively the order may be assigned by a predetermined objective seeding method. However, owing to circumstances beyond the control of the contestant, the panel chair or the district representative for contest and judging (prior to a contest for other than an international contest) may excuse an appearance other than in assigned order. [SCJC]

   a. During contest: The panel chair will determine whether to give an excused contestant the opportunity to appear after all other contestants in that contest session, or if the round consists of multiple sessions, after all other contestants in that contest round. [SCJC]

   b. Prior to a contest: For other than an international contest the district representative for contest and judging may equitably determine a modification to the order of appearance for reasons beyond the control of the contestants. For international contests the Society Contest and Judging Committee through its chair may equitably determine a modification to the order of appearance for reasons beyond the control of the contestants. [SCJC]
BHS Contest Rules

B. Unexcused Absence

Any contestant, not excused, that fails to perform in its assigned order of appearance will be penalized. The panel chair will assess a penalty of five points per scoring judge. A penalized contestant will have the opportunity to appear after all other contestants in that contest session. [SCJC]

C. OOA in Case of Absences by Multiple Contestants

If there are two or more excused or penalized contestants, their order of appearance will be determined by the panel chair. [SCJC]

D. Failure to Appear During Round

Any contestant that fails to appear in any round will not be eligible to compete in any subsequent round in that contest. [SCJC]

E. Request to Sing First in a Contest

1. Written Request Prior to Draw
   a. **International contests:** Prior to the date of the official draw for singing order, a chorus or quartet participating in an international contest may request in writing to the Society Contest and Judging Committee through its chair that it be permitted to sing at the beginning of the contest. [SCJC]
   b. **District contests:** Prior to the date of the official draw for singing order, a chorus or quartet participating in a district or division contest may request in writing to the hosting district’s representative for contest and judging that it be permitted to sing at the beginning of the contest, subject to district policy. [SCJC]

2. Multiple Requests

If more than one group requests to sing at the beginning of a contest, a drawing prior to the official order draw will be held among those contestants to determine the order in which they will sing at the beginning of the contest. [SCJC]

**ARTICLE IX: SONGS AND ARRANGEMENTS**

A. Songs

1. Barbershop Style

   All songs performed in contest must be arranged in the barbershop style. (See style definition in Chapter 2 of the Contest and Judging Handbook.) A song performed in contest should have melody and harmony consistent with the barbershop style, must be neither primarily patriotic nor primarily religious in intent and must be in good taste. [SBOD]

2. Music Category Elements: In a contest certain musical elements are so significant to the style that deficiencies must be noted explicitly in order to provide sufficient information on the basis for the scoring and for performer feedback.
   a. **Unaccompanied:** Songs must be sung without any kind of musical accompaniment and without instrumental introduction, interlude, or conclusion. The latter provision applies
BHS Contest Rules

to both the entire performance and each individual song. Violation of this provision will result in penalties up to and including forfeiture by the Music judge(s). [SBOD]

b. *Four-part Texture:* In chorus contest performances of songs, selected use of a soloist, duet, trio or quartet is acceptable as long as it is brief and appropriate. However, at no time should the musical texture exceed four parts. Violation of this provision will result in penalties up to and including forfeiture by the Music judge(s). The spoken word, brief and appropriate, is not considered an additional “part” in this context. [SBOD]

c. *Melody:* The melody should be present and distinguishable and is most consistently sung by the lead, with the tenor harmonizing above the melody, the bass singing the lowest harmonizing notes, and the baritone completing the chord. Excessive passages with the melody not in an inside voice will result in penalties up to and including forfeiture by the Music judge(s). [SBOD]

d. *Characteristic Chord Progressions:* The song’s harmony must feature the natural occurrence of dominant seventh (and ninth) chords based on a variety of roots. Chord progressions in the barbershop style are based on the harmonic practice of dominant seventh (and ninth) chords resolving around the circle of fifths, while also making use of other resolutions. Songs lacking these characteristic chord progressions will result in penalties up to and including forfeiture by the Music judge(s). [SBOD]

e. *Lyrics:* Lyrics should be sung by all four parts through most of the song’s duration. Excessive passages without words in all four parts will result in penalties up to and including forfeiture by the Music judge(s). [SBOD]

f. *Other Issues:* Songs not consistent with the barbershop style for any other musical reason (including chord vocabulary or lack of homorhythmic texture) will be adjudicated in terms of the quality of the performance by the Music judge(s). [SCJC]

3. Performance Category Elements

a. *Patriotic or Religious Intent:* Songs primarily patriotic or primarily religious in intent will result in penalties up to and including forfeiture by the Performance judge(s). (See PER CD of the Contest and Judging Handbook for levels of penalties.) [SBOD]

b. *Good Taste:* Songs or actions by a contestant that are not in good taste will result in penalties up to and including forfeiture by the Performance judge(s). (See Position Paper III. Taste in Chapter 9 of the Contest and Judging Handbook for details.) [SBOD]

B. Copyright Compliance

Contestants must comply with the copyright law in the acquisition, arranging, learning, and performance of songs for contest. Violations of this article relating to copyright law compliance are subject to post-contest action deemed appropriate by the Society executive director. [CEO]
ARTICLE X: SOUND EQUIPMENT AND STAGE SETTING

A. Equipment

1. Provision and Operation; Monitor Speakers Permitted

   The best possible sound equipment will be provided, if needed, by hosts of convention/contests. Monitor speakers are permitted and encouraged. Sound equipment should be operated by a competent operator. [SCJC]

2. Testing and Approval

   The stage setting will be set up sufficiently in advance of the starting time of the contest so that the sound equipment and lighting may be tested under the supervision of the panel chair. The contest will not start until the panel chair has given indicated approval of the stage, lighting, and sound setup. [SCJC]

B. Restrictions and Exception

1. Offstage Use of House System

   Contestants may not make offstage use of the house sound system. [SCJC]

2. Recorded Music or Spoken Word

   The use of recorded music (vocal or instrumental) and/or recordings of the spoken word is not permitted. [SCJC]

3. Electronic Enhancement

   Contestants may not use their own equipment to electronically amplify or alter their voices. The use of any other technology to enhance the singing voice is not permitted. (See Position Paper XII. Electronic Enhancement & Sound Effects in Chapter 9 of the Contest and Judging Handbook for more details.) [SCJC]

4. Electronic Pitch; Sound Effects

   Contestants may use electronic means independent of the house system to take pitch or to provide limited sound effects. Sound effects, electronic or otherwise, deemed to be excessive or detrimental to the performance shall be adjudicated in terms of the quality of the performance by the Performance judge(s). In order to avoid surprise and potential delay for inquiry, contestants should communicate planned use of loud or unusual sound effects to the panel chair prior to the performance. [SCJC]

C. Jurisdiction and Penalties

   Violations of Article X.B.1, X.B.2 and X.B.3 are subject to penalties up to and including forfeiture by the Singing judge(s). Article X.B.4 is judged holistically by the Performance judge(s). [SCJC]
ARTICLE XI: STAGING

A. Restrictions

1. Non-Members and the “Stage”

Persons who are not members of the competing chorus or quartet may not appear on stage during the performance. Violation of this rule in contest will result in the performance being declared ineligible and disqualified. The stage is defined by the performer/performance, and thus may on occasion extend past traditional boundaries set forth by the performance venue. While this may allow for choruses and quartets to build rapport with, or generate response from the audience, the song(s) must be performed solely by members of the competing chorus or quartet. In the event this comes into question, the panel chair, with assistance from the Performance judge(s), will make a determination if a non-member violation has occurred. [SCJC]

2. Bad Taste

Barbershop performances should not contain vulgar, suggestive or otherwise distasteful actions or lyrics. In addition to adjudication with penalties up to an including forfeiture by the Performance judge(s), the performance may be stopped by the panel chair per Article XIV.A.3. In consultation with the Performance judge(s) the panel chair will determine if the performance may be rescheduled or adjudicated up to the point of stoppage. [CEO]

B. Jurisdiction and Adjudication

Other than a panel chair stopping a performance as noted above, the Performance judge(s) will have jurisdiction over issues of bad taste and staging, other than as provided for international contest staging noted in section C below. (See the Performance category description in Chapter 6 of the Contest and Judging Handbook for a discussion of unacceptable staging.) [SCJC]

C. International Contest Staging

1. Chorus Loading

   a. Time expectation: Choruses are expected to get on stage in a prompt manner as to ensure the contest flows smoothly. Development of additional staging detracts from the flow of the contest. From the time the chorus is given approval to assemble on the stage to the moment the chorus indicates it is ready to perform, it is reasonable that a chorus of fewer than 50 will be onstage and ready within 6 minutes, 50-100 will be ready within 7 minutes, and more than 100 onstage within 8 minutes. [CEO]

   b. Penalty: Exceeding this time frame will result in a penalty of five points per song per scoring judge (150 points from the composite score earned by the performance). The stage crew will keep the official time and the panel chair (or designated representative) will be present for the loading process to ensure fairness and will provide exceptions for issues beyond the chorus’ control. Nothing in this rule is intended to discourage an individual or individuals entering or exiting at a time that is different from the bulk of the chorus or an indication of readiness. Warnings will be given at 1 minute and at 30 seconds. At no time are contestants allowed behind the risers. [CEO]
2. Props

   a. Restrictions: If props and/or stage enhancements are to be used, they must be simple enough that at most two men can carry and set them up, and they must be freestanding.
      - Nothing can be attached to or leaned against the riser (back) safety rails.
      - No extensions to the end risers are permitted.
      - At no time are contestants allowed behind the risers.
      - No props or stage enhancements can be used that may contravene local fire and safety codes (open flame, fireworks, open water other than in a glass or pitcher, etc.) [CEO]

   b. Penalty: Violations of the preceding will result in a penalty of five points per song per scoring judge (150 points from the composite score earned by the performance). The international contests chair, after recommendation of the stage manager, will make this determination. [CEO]

   c. Financial liability
      1) Any use of props and/or stage enhancements that damages microphones and/or lights will result in the chorus or quartet being held financially responsible to BHS for the replacement in kind of the damaged equipment. [CEO]
      2) Any use of props and/or stage enhancements that results in alteration to the condition of the stage and/or house and requires additional labor to rectify the stage and/or house to its pre-performance condition will result in the chorus or quartet being held financially responsible to BHS for the total cost of the labor incurred. [CEO]

3. Cleanup

   a. Restrictions: Confetti and similar small material that requires extensive cleanup are banned from use in both chorus and quartet contests. Other materials that are difficult to clean-up (requiring mops, brooms, vacuum cleaners, etc.) are strongly discouraged from the stage. [CEO]

   c. Penalty: Any clean-up longer than 60 seconds will result in a penalty of five points per song per scoring judge (150 points from the composite score earned by the performance). This does not include the pick-up of coats, tables, vests, etc., that do not require further cleaning. Time will begin from the start of the clean-up effort and kept by the stage manager and stage crew. Determination to apply the penalty will be made by the international contests chair. At no time are contestants allowed behind the risers during cleanup. [CEO]

ARTICLE XII: NON-SINGING COMMENT/DIALOGUE

A. Spoken comments

   Non-singing dialogue is generally not a part of a contest performance. However, brief comments made with supporting visual communications may be permitted more clearly to establish mood/theme, to assist the transition of packaged songs, or to add to the effect of closure of mood/theme. [SCJC]
BHS Contest Rules

B. Adjudication

Spoken words deemed to be excessive or detrimental to the performance shall be adjudicated by the Performance judge(s) in terms of the quality of the performance. [SCJC]

ARTICLE XIII: PENALTIES AND FORFEITURES

A. Forfeiture

A scoring judge indicates forfeiture by awarding a score of zero. Forfeiture of all panel scores with scores of zero is indicated after unanimous action of the Music judge(s) under Article V.A.2. Forfeiture or any penalty is appropriate only when specifically provided for in these rules. [SCJC]

B. Inclusion in Official Scoring Summary

Penalties and forfeitures will be published as part of the official scoring summary, with citation of the rule that was violated, if appropriate. [SCJC]

C. No Public Announcement

There will be no public announcement of any penalty or forfeiture. [SCJC]

ARTICLE XIV: OPERATION OF CONTEST

A. Panel Chair Responsibility and Authority

1. Authority for Contest Operation

Once the contest begins, and until the contest results are determined, the panel chair is completely in charge of the operation of the contest, subject to the final authority of the international contests chair for international quartet and chorus contests (Article IV.B.3). [SCJC]

2. Contest Environment

The panel chair is responsible for ensuring that the contest environment is as fair and consistent as possible for all contestants. Action on environmental issues will consider contestants, audience, and panel, in that order of priority. [SCJC]

3. Stopping Performance and Rescheduling

a. Sole Authority: The panel chair alone has the authority to stop the performance and judging, and may reschedule the entire performance later in the contest if appropriate. [SCJC]

b. Repeat Performance: At the sole discretion of the panel chair, a contestant may be allowed to repeat an entire performance later in the contest. [SCJC]

c. Cancellation and Rescheduling: If the panel chair must cancel a round or an entire contest, that round and/or contest will be rescheduled by the panel chair in conjunction with the appropriate administrative body supervising the contest. In making these decisions, the panel chair will consult with scoring judges as appropriate. [SCJC]
BHS Contest Rules

B. Announcements

Announcement of the results of the contest will be the responsibility of the Society president for international contests and the responsibility of the respective districts for all other contests.
